

New superfast broadband boosts local firm's international business

SUPERFAST broadband has helped a pioneering motor manufacturer in Crewkerne to get into top gear.

More than 4,100 Crewkerne households and businesses, including Ariel Motors, now have access to superfast broadband as a result of the multi-million pound Connecting Devon and Somerset (CDS) programme.

The Crewkerne-based motor manufacturer, which produces the superfast Ariel, was one of the first superfast broadband customers in the Somerset town.

Director Simon Saunders said the fibre broadband technology was already providing a major boost for his company's international operations.

He elaborated by saying: "The easy exchange of

information, data and files is crucial within our nationwide multi-million pound projects and in advance design.

"As technology evolves, we need to make sure that our connection matches that of our partners who are located in more urban areas, hundreds of miles away. With many complex, large CAD files, the speed of exchanging data has become important to us.

"Thanks to the latest rollout of superfast broadband, we're now getting over 70MB download speed and 20MB upload speed, which is a lot faster than before. This means we can operate with

new technology from our base in one of the most beautiful parts of the country."

Currently, there are 15 fibre broadband cabinets 'live' within the Crewkerne area offering superfast broadband for the first time to more than 4,100 premises. Hundreds of homes and businesses in and around Crewkerne are already using the service.

Over the next few weeks five further cabinets will be introduced, providing an additional 1,171 households and businesses with access to superfast broadband. Rural businesses have been at the centre of CDS's approach to achieving superfast solutions.

Since the rollout began over two years ago, the programme has connected over 10,500 businesses to the fibre network – the vast majority of which can access superfast broadband speeds.

Huge step in right direction

More than 240 business parks now have access to fibre broadband or will do so in the near future as part of Connecting Devon and Somerset's aim to reach around 90 per cent of premises by December 2016.

MP Marcus Fysh praised the latest development within CDS as a "huge step in the right direction".

He said: "Although superfast broadband has already arrived in Crewkerne, these additional cabinets demonstrate a strong commitment from CDS to meet the current goals set for 2016.

"This is really reassuring for local businesses, like Ariel Motors, that depend on adequate internet connection in order to meet customer demands in an increasingly technology-based economy."

The rollout is gathering momentum, with fibre broadband becoming available to more than 8,000 further premises every month.

Councillor David Hall, Somerset County Council's cabinet member for business inward investment and policy, said: "The Connecting Devon and Somerset project to build a fibre network is on schedule, connecting the county to the rest of the world. Ariel Motors, as an international company, is a great illustration of this.

"This is a significant step for Crewkerne and for

Ariel's global reach. The programme has had a positive impact on the region both in homes and in businesses.

"Long-term, the impact will be even bigger as the economy in the two counties will be bolstered by superfast broadband."

About 220,000 households and businesses across the two counties can now access fibre broadband, of which nearly 200,000 can get superfast speeds of 24Mbps and above, as a result of the multi-million-pound programme.

"The partnership is on schedule in its plans to make superfast broadband available to around 90 per cent of households and businesses within less than 16 months.

Laurent Boon, BT's programme manager for Connecting Devon and Somerset, added: "The Ariel Motors success story is a wonderful example of how high-speed fibre broadband can help a firm operate successfully on the international stage wherever it is located. This exciting technology is providing a major boost for businesses and households throughout the South West.

"Businesses are using it to become more competitive, find new customers and operate more efficiently, whilst households are benefitting from improved opportunities for online learning, entertainment or just staying in touch with friends and family. Whatever you do online you can do it better with fibre broadband."

This programme is separate to the Superfast Extension Programme, which aims to increase availability to 95 per cent of households and business.

Residents and businesses can keep up to date with the latest cabinets going live via Twitter @DCCSCCBroadband or via www.connecting-devonandsomerset.co.uk

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

SOUTH SOMERSET Funding sought for Chard projects

SOUTH Somerset District Council (SSDC) hopes government funding will bring forward major projects in the eastern part of Chard.

The council has started the process of seeking government funding for projects in Chard Eastern Development Area, including employment land, roads and an extension of the Stop Line Way cycle path. Ultimately a road link would be created between the Millfield Industrial Estate and the A30 and would help to relieve traffic congestion at the town centre traffic lights.

This area of Chard is earmarked in the Chard Regeneration Scheme as the designated area for the development for both housing and employment land in Chard over the Local Plan period (to 2028).

SSDC has already received one planning application for residential development in the Chard Eastern Development Area (the Morrish application to the north of the A30 is for 78 units), and is expecting a further five applications in the latter part of 2015 and early 2016.

These applications are likely to seek permissions for a total of approximately 900 houses, but it should be noted this amount of housing in Chard will be delivered in stages over a phased period of time.

SEATON Council says no to wedge plans

A PACKED chamber saw Seaton Town Council object to a developer's third attempt to build on what is known as the green wedge to the east of Harepath Road.

Having had two planning applications refused, one on appeal, Seaton Park (Devon) Ltd. has submitted a third application (outline).

It is for a mixed-use development of up to 150 houses, 75 of which would be affordable; office space of up to 5,050 square metres; light/general industrial space of up to 3,500 square metres; open space and associated roads and infrastructure, including a main spine road.

The Enterprise Suite in Seaton Town Hall was bursting at the seams on Monday, October 19th, when the town council's planning committee met to discuss the developer's bid for third time lucky.

Members of the public, including residents of nearby Colyford, spoke against the application before recently co-opted councillor Martin Shaw reeled off a list of objections of his own.

The applicant did not appear to have a representative at the meeting, and nobody spoke in favour of the proposal.

The planning application can be viewed online by searching for application 15/2188/MOUT and comments are welcome until October 27th.

From the editor's chair Who's laughing now...

CHARD has had a bad press over the years and has been the butt of jokes about how rough the town is and how its crime figures match those of the most violent cities in the UK.

We have all had a laugh at Chard's expense. If you've got two ears you're a cissy; Kate Adie's a lollipop lady in Chard; third prize in a raffle was an alibi for three weeks. Cheap jokes.

I suspect the people of Chard don't find it so funny; they certainly don't recognise their town in some of the headlines that have given the town a bad name over the years.

I've covered a few jobs in my time in Chard and have always found it a friendly place to work. I also spent a short time as vice-chairman of Chard Town Football Club, a role I thoroughly enjoyed. Great people.

Some will argue that Chard's reputation has

been detrimental in attracting investment so it's pleasing to report in our Chard edition this week that South Somerset District Council has made Chard its priority in bidding for resources.

Portfolio holder Councillor Jo Roundell Greene says it is "excellent news for Chard that there is so much interest in the development of the town".

Chard could see an explosion of new homes in the coming years and hopefully this will be matched by the infrastructure to cope.

♦ A GOVERNMENT consultant last week advocated that hospitals should build their own care homes to unblock beds occupied by old people recovering from operations.

Here's an idea. Don't close community hospitals. It will be a lot cheaper.

AXMINSTER Culvert to widen

THE much delayed widening of the Millbrook culvert has been pencilled in to start work in early 2016, Devon County Council has said in a letter to Axminster Town Council.

Plans to increase the flood capacity by widening the culvert – a structure that allows water to flow under a road – at Willhay Lane was first proposed in 2013 and has faced a string of delays.

At an Axminster Town Council meeting in July last year, town, district and county councillor Andrew Moulding read a letter to fellow councillors saying that the plans had been delayed by at least six months due to added complications in the design work and that Devon County Council were going to carry out additional analysis to ensure that the completed scheme wouldn't increase the level of flood risk elsewhere or compromise the railway.

Phase one of the proposal will be to install a flood defence wall along the southern bank on Millbrook as it approaches Willhay Lane.

HONITON Clear for carnival

FLASH Gordon, Pac-Man and a tribute to Antarctic explorer Captain Scott were all some of the fantastic entrants in this year's Honiton Carnival.

The event, which drew entries from across Devon, Dorset and Somerset, has always been a firm favourite in the carnival calendar, and this year saw well over 60 entries.

Honiton Carnival chairman Grant Miller said: "Overall the carnival was a great success. It started dead on 7:30 under Mike Salter's instructions.

"A lot of young members from the community entered this year which was very pleasing as the children are the next generation of the carnival.

"A huge thank you to all entrants, supporters, marshals and the carnival committee because without them we would not have a carnival at all.

"Also, thanks to the members of the public who contributed to our collection, which currently stands at over £2,000."

SIDMOUTH Good chance of funding for beach

COUNCIL officers, coastal engineers and local community and environmental representatives have been told that their work as part of the Sidmouth and East Beach Management Plan steering group is "very encouraging" but there is still more to do.

The Sidmouth and East Beach Management Plan (BMP) project was commissioned by East Devon District Council (EDDC) in partnership with the Environment Agency (EA), Sidmouth Town Council, Cliff Road Action Group and the South West Strategic Regional Coastal Monitoring Programme.

The steering group is chaired by deputy leader of EDDC, Councillor Andrew Moulding, who said the most important point to come out of the meeting was the realisation the group has a very good case of obtaining funding for future projects.

The BMP Project has also received the endorsement of Martin Davies, Flood and Coastal Risk Management Advisor at the EA.

Once the preferred options have been agreed, EDDC will apply in 2016 to the EA for central government funds to carry them out.

OTTERY ST MARY Award to honour local champion

OTTERY St Mary has launched the 'John Gaffney Young People's Writing Award' in memory of one of the town's most dedicated community champions.

John Gaffney was a much respected local journalist, and founder and editor of the award winning parish magazine the *Ottery Gazette*, who passed away in June this year.

After his untimely passing an idea was suggested by local resident Philip Algar that an annual writing award for young people be named in his memory.

Following Mr Algar's initiative, Ottery Town Council has agreed that the competition be held annually and the winner will get £50 in cash and £25 in book tokens. There will prizes for the runners-up as well.

Mr Algar said he hoped the award would inspire creativity amongst Ottery's younger community.

Youths caught on camera breaking into Old Mill site

COVERT surveillance by South Somerset District Council's contracted security firm, Atlas UK, has helped catch youths that have been breaking into an historic building in Chard.

For three consecutive nights earlier this month, youths had broken into the site and caused damage to walls, windows and doors; also setting off fire extinguishers and triggering fire alarms which could have put contractors who visit the Boden Mill site in the daytime at risk.

Atlas UK set up covert surveillance and caught the offenders returning again for a fourth night. Two youths were apprehended and handed over to the local police, while three escaped by climbing a three-metre high fence, potentially risking injury.

The Old Mill is a listed building which is ready for modernisation as part of the ACI factory com-

plex and integral to the Chard Regeneration Scheme. Damage to the building due to arson could be a setback to development.

The district council's property spokesman, Councillor Henry Hobhouse, said: "The criminal damage caused by these youths was totally unwanted and very dangerous in such a building as The Old Mill.

"We needed to act fast to catch the offenders and we are very grateful to Atlas UK in apprehending the offenders.

"We are urging anyone who is considering entering the site for whatever reason to think again. Don't put the life of you and others at risk."

If you would like to report suspicious activity at a council owned site, please call 01935 462462 or Avon & Somerset Police direct on 101.

Volunteers drivers needed for lifeline service

A LIFELINE service which helps vulnerable children and adults access vital appointments is appealing for more volunteer drivers across Somerset.

The Somerset County Council currently provides transport for eligible non-emergency NHS patients and social care users, ranging from the elderly to young children. This includes trips to hospital for medical appointments, transport to day centres or help on the school run.

A county council spokesman said: "A dedicated army of nearly 200 fantastic drivers across the county currently act as volunteers, but the ageing population in Somerset means

demand for transport is growing and more volunteers are needed.

"Anyone can be a volunteer - the only criteria is that drivers must be over 18, have use of their own four-door vehicle, and hold a full UK driving licence with no more than six points. Hours are flexible and mileage expenses will be paid at up to 50p per mile."

For more information about volunteer driving, please contact Somerset You Can Do by phoning 01278-664180.

More information about volunteering opportunities with Somerset County Council can be found at www.somerset.gov.uk/volunteering.

Science students get hands-on

A HUNDRED Year 3, 4, 5 and 6 children from Neroche Primary School in Ilminster travelled to the interactive science centre @Bristol.

The children were able to watch the 3D presentation about how the universe was formed, took part in the infamous Yum or Yuck experiment, being transformed into human sized bees and creating adult sized bubbles.

Year 4 teacher Alison Kelly commented: "In school we provide a wide range of science experiences for our children. Last year we gained the prestigious National Silver Science Award, but nothing can beat coming to a high quality attraction like @Bristol to give the children hands on quality experiences that will stay with them for

life.

"Who knows, one of these 100 children could make a life-changing discovery in the future."

Oliver and Thomas from Year 5 commented: "We really loved the sound experiment... feeling sound move through our bodies (pictured above) was really weird."

Headteacher Connel Boyle added: "I wanted to thank our Parents Fundraising Association, who donated a whopping £800 towards subsidising the costs of this trip.

"It is only because of their all year round fundraising support for the school that we are able to offer these amazing opportunities for the children. Thank you."

Apology to Colyton Grammar School

PULMAN'S View would like to make an unreserved apology to Colyton Grammar School following the unauthorised use of the school crest in a property advertisement in last week's issue.

The inclusion of the school crest in the advertisement may have given the false impression that the property in question was being marketed on behalf of the school. This is not the case.

We apologise for any confusion and embarrassment this may have caused and have taken action to ensure that such an error does not happen again.

By means of an apology, Pulman's View will be making a donation that will be shared between Colyton Grammar School Senior Prefect Team's charity, Water Aid, and the Parents Association's fundraising campaign for a new science laboratory.

We look forward to continuing our good relationship with Colyton Grammar School, reporting on the many positive stories generated by the school.

One rescued from cooker fire

ONE person was rescued from a kitchen with a cooker fire in Holyrood Street, Chard.

Firefighters were despatched at 12.13am on Saturday, October 17th, and a spokesperson for the fire and rescue service said: "We were called to reports of a smoke alarm sounding in a property. Crews confirmed this to be a fire within a property, and confirmed one person was still within the building."

"One person was rescued from the building and was assessed by fire crews before arrival of paramedics. Crews got to work using two breathing apparatus, two hose reel jets and one covering jet."

"It was confirmed there was a small fire in the cooker, which caused slight fire damage to the cooker, and slight smoke damage to the property."

New Commanding Officer steps in at RNAS Yeovilton

THE Royal Naval Air Station Yeovilton has a new Commanding Officer.

Commodore Jon Pentreath succeeded Commodore Jock Alexander at the helm of RNAS Yeovilton. This opens the next chapter in Cdre Pentreath's 31-year career in the Royal Navy.

Before and after the formal Change of Command Ceremony, Cdre Alexander was given a stirring send-off by the military and civilian personnel at RNAS Yeovilton. In the morning he carried out a tour of his Air Station in a McLaren 12C supercar; an opportunity offered by its owner, retired Petty Officer Phil Howell, who association with RNAS Yeovilton is linked to The Rally for Heroes charity.

After formally handing over, Cdre Alexander was pulled through the lined roads of the Air Station on a traditional Royal Navy Field Gun carriage; and then he was towed in the iconic Swordfish to conclude his final rounds of the establishment.

As he departed, Cdre Jock said: "This has been a brilliant way to bow out after 38 years in the Royal Navy. Command of any Royal Navy unit is a special honour and I have immensely enjoyed my time at RNAS Yeovilton."

"The whole base has a key part to play in the Royal Navy while also supporting the Army Air Corps and other Defence organisations."

"I wish Jon Pentreath every success as he steers RNAS Yeovilton through the final stages of its transition from

Lynx to Wildcat and Sea King to Merlin, and the full integration of 1 Regiment Army Air Corps. Thank you everybody."

The new Commanding Officer, Cdre Pentreath, joined the Royal Navy in 1984 and was subsequently selected for pilot training; joining the Fleet Air Arm in 1990 as a Commando Helicopter pilot flying the Sea King. He qualified as a Lynx pilot in 1995 and in ensuing appointments and promotions has seen extensive operational service.

When promoted to Captain in 2008 he became the Commanding Officer of the Commando Helicopter Force (CHF) based at RNAS Yeovilton.

On assuming Command of the Air Station, Cdre Pentreath said: "I am truly delighted to be returning to Royal Naval Air Station Yeovilton. Having served here for much of my naval career, it is both an honour and a privilege to be appointed to Command the base."

"There is a huge amount going on, as both Royal Navy and Army front-line units re-equip with Merlin and Wildcat helicopters."

Cdre Pentreath added: "I will build upon the fantastic work done by my predecessor as Yeovilton continues to deliver our operational outputs effectively, efficiently and safely. I look forward to working closely with all Service and Civil Servant personnel and, just as important, their families, our contractors and those in the local communities."

TWELVE children from Tatworth Primary School took part in the Stockland Cross Country Race. They competed with over 200 children from 18 schools and all had a great time running through mud and streams. Congratulations go to Finlay Downes who came first in the boys Years 3 and 4 race.

TWO teams from Tatworth Primary School were the joint winners of the Chard Under 9s Area Gymnastic Competition. Two teams from the school took part in the competition held at Holyrood Academy with both coming joint first with a score of 36.3 out of 40. Congratulations go to Kendra Druce and Willow Herbert who came in the top three gymnasts of the day. The team pictured above are wearing the school's new sports kit which was sponsored by Lentells Accountants.

Students complete Duke of Edinburgh expedition

FOURTY-FOUR Year 11 students from Holyrood Academy in Chard recently completed their Bronze Duke of Edinburgh expedition, which involved trekking through scenic countryside from Thorncombe to Monkton Wylde Farm Touring & Caravan Park.

After some home-cooked food made over camping stoves and a good night's sleep under canvas, they awoke refreshed and ready to continue their trek from the campsite to Hawkchurch.

Teacher Kim Hill said: "Despite a few sore feet, blisters and aching legs the students had a brilliant time!"

"Team morale was excellent and prevailed throughout the expedition. We were also blessed with incredibly good weather!"

"The campsite was fantastic and I was delighted to receive very complimentary comments about our students."

Streetscene Team cleans up Furzehill fly-tipping

AN area of land in Chard has been cleared of fly-tipped rubbish and given a deep clean by South Somerset District Council's (SSDC) Streetscene Team.

The land at Furzehill in Chard forms part of the recreation area owned by SSDC, and also includes the adjoining park owned by Yarlington Housing Group (YHG).

A large amount of fly-tipping had taken place, so seven members of the Streetscene Team removed seven loads of fly-tipped items and rubbish, taking five hours to do so.

The land is hidden by conifers beside a park area, which used to hide fly-tipped waste. There are now plans afoot to remove the trees in order to open the space up and detract people from fly tipping.

Councillor Jo Roundell Greene, deputy leader at South Somerset District Council and portfolio holder for environment, said: "Our Streetscene Team have done a fantastic job removing all the

waste from this site in order to improve the area and detract from further fly tipping. Recognition must go to the land owners, Yarlington Housing Group, for their positive approach to tackling the issues they faced and for asking our experienced Streetscene Team to help with the fly tipping removal and re-landscaping."

Works to improve the visibility of the area are being explored with local residents that own the trees in the anticipation that this will stop future fly tipping and anti-social behaviour.

District councillor Amanda Broom, Chard Combe ward member, added: "After being alerted by concerned residents over issues of anti-social behaviour such as fly tipping, SSDC have worked exceptionally hard in removing all of the offending items. The area has subsequently been cleared and is being managed by the District team. The next stage is to firm plans for potential landscaping in the area".

Long-standing member of Sainsbury's staff retires

LONG-STANDING staff member Mark Lindsey has retired from Sainsbury's in Chard after 23 years in the supermarket trade.

His first placement was with Somerfield in 1992, transferring to Sainsbury's in 2009.

A Sainsbury's spokesperson said: "He will be much missed by all his friends and work-mates, who wish him much good luck for the future."

Mark is photographed receiving leaving gifts from store manager Aaron Kershaw. He retired on Friday, October 16th.

School science day goes off with bang!

CHARD School pupils attended Science Week at King's College, Taunton, to find out about fireworks.

A school spokesperson said: "There was an exciting demonstration in the college lecture theatre by a leading pyrotechnical, Matthew Tosh, who gave some loud and bright demonstrations of all that fireworks can do, including some interesting science on how it all works."

"The children also had a chance to draw invented island animals (pictured) for an art display, as part of their current topic on species found in the Malay (Indonesian) Archipelago."

Science teacher Mr Lucas added: "It was an enjoyable and educational afternoon."

Volunteers needed at Arts Centre

ILMINSTER Arts Centre has launched a campaign to try and get more people involved as volunteers.

The arts centre runs entirely on people power and with more than 30,000 visitors passing through the doors every year it is a busy and bustling place.

The centre – also known as the Meeting House – has a packed programme of exhibitions, concerts, workshops and events.

There are many way to experience the arts centre – and if you have enjoyed it as a visitor, have you considered working there as a volunteer?

An arts centre spokesman said: "It's a wonderful way to support a valuable local amenity and to 'be part of the action' and there are a variety of different roles available – from stewarding in the art gallery to working in the cafe as well as reception duties and retail sales on the busy welcome desk/craft shop counter."

The spokesman added: "There are many benefits to getting involved at IAC – meeting new

people, job satisfaction, working in a beautiful, historic building, great work experience for your CV, free parking and a complimentary cup of delicious Fairtrade coffee when you are on duty."

One volunteer said: "I like being able to play my tiny part in keeping Ilminster Arts Centre open – it's great fun and it's interesting, you learn something new all the time."

"I enjoy volunteering at the centre because almost every week I get to meet new people, and over the years some have become firm friends."

And another one said: "Volunteering at the arts centre really helped me after my husband's death – it makes me feel useful and it's such a friendly, supportive environment."

If you like working with people and can spare a morning or an afternoon on a regular basis, Ilminster Arts Centre would like to meet you! Just pop in for an informal chat – there is no need to make an appointment – or phone 01460-55783.

Budding young chefs get cooking

■ **HEALTHY SNACKS:** Children from Greenfylde First School have learnt some healthy recipes at the new Let's Get Cooking club

GREENFYLDE First School in Ilminster is creating chefs of the future with its new Let's Get Cooking club.

Enthusiastic young chefs are trying out their culinary skills in the club, which is run by school and sponsored by the Children's Food Trust through the Tesco Eat Happy project.

The club is all about inspiring children to learn to cook and enjoy good food, giving them the confidence and skills they need to get hands-on in the kitchen and make healthier food choices throughout their lives.

Let's Get Cooking is the country's largest network of healthy cooking clubs for children and their families and have already reached over three million people.

The Friends of Greenfylde School have also helped extend the project by funding the purchase of a range of cookery equipment to allow even more children the experience and fun of producing their own culinary creations.

So far the children have made fruit kebabs, pizzas, a healthy pasta bake, coronation chicken and cheese and chive dip with crudites.

"The children have been fantastic, rising to every challenge we have set them, mastering basic cutting and measuring skills and learning what goes into making simple dishes that they can recreate at home," said Stuart Copping, Lets Get Cooking co-ordinator at Greenfylde.

Pink tombola raises £1,768 for charity

AN AMAZING £1,768.59 was raised at a pink tombola stall held outside the Tesco store in Ilminster in aid of Breast Cancer Care.

Thrilled organiser Anne Hine, who has run these events in recent years, said it was an "incredible success" and her best ever.

"I would like to give big thanks to all the generous people who once again donated items or had a go on the day," she said.

"I am always nervous beforehand that the day won't work, but with such wonderful support – who needs to worry?"

A spokesman for the Breast Cancer Care charity said that the money would be vital in help women living with the disease.

"Just to put your money into perspective – by rais-

ing over £1,000 this can pay for ten women with secondary breast cancer to attend regular support sessions run by specialist therapists with expert guest speakers," said the spokesman. "So a massive thanks to Anne!"

Lord Ashdown returns to Muchelney House for birthday party

LORD Paddy Ashdown was the guest of honour at a special 25th birthday party in Ilminster.

The former leader of the Liberal Democrat Party and Yeovil MP was invited back to Muchelney House, which he had officially opened in October 1990.

The Extra Care scheme run by Yarlington Housing Group invited the peer, local councillors, residents and staff to celebrate the facilities that Muchelney House has provided over the past 25 years.

Guests reminisced over canapés and drinks whilst Vicky Saunders, Extra Care scheme manager, presented an impressive cake, which was a replica of the building, to mark the occasion.

Lord Ashdown said: "I am delighted to be back at Muchelney House, it's been a pleasure to meet with the residents today and to see first-hand how retirement living schemes such as this benefit local people.

"I would like to pay tribute to the hard working staff whom ensure this marvellous facility continues to serve the local community."

Since it first opened in 1990, Muchelney House has been home to 114 residents. It was designed for those who wish to live independently with additional support services available, such as domestic assistance, midday meals and even chiropody.

It is made up of 32 self-contained, one-bed flats with a communal lounge and kitchen which the residents utilise regularly for social events and activities such as bingo, flexercise, coffee mornings, fish and chip suppers and boccia. Approximately 550-700 residents and local people take part in these activities each month.

Nick Fry, Yarlington's Assistant Director of Housing, said: "Yarlington's Extra Care retirement schemes give a little extra help to those who need it and offers an enhanced level of care and support to help residents live independently in their homes.

"The residents at Muchelney House enjoy all sorts of activities in the scheme and show how you can keep active despite increasing age."

Football club to host spectacular fireworks

ILMINSTER Town Football Club is planning an explosive fundraising event next month when they hold a bonfire and fireworks party at Britten's Field.

Preparation work has just started on the club's planned new pavilion and headquarters and the mammoth fundraising operation is ongoing.

The club is now hoping to have a bumper night of fun on Sunday, November 8th with its bonfire and fireworks event. Gates will open at 4pm and the bonfire lit at 5pm before the fireworks display at 6pm.

There will be a bar serving alcoholic drinks and soft drinks, plus burgers and hot dogs will be available with the meat supplied by Bonners of Ilminster.

Local schoolchildren are entering Guys into the club's very own Guy Fawkes competition and these will be on display from 4.30pm and the winning

Guy will be announced on the night.

Advanced tickets are on sale in the local shops of Harrimans, Bonners, Cottage Flowers, Harper Dolman and West, Hannah Mays and the Spar Petrol Station. Advanced tickets are priced £5.50 for adults, £1.50 for children under-16s, and free for the under-threes. Family tickets of two adults and two children are available at £12 each. Tickets are selling fast and there will be limited availability.

A club spokesman said: "Unfortunately sparklers are not permitted at this event but glow sticks for the children will be on sale.

"We would like to thank our bonfire night sponsors - the Shrubbery Hotel Ilminster and Paul Fenton Estate agents in Chard - and we hope to make this an annual event and really hope the community come along and show their support."

The display will be run by Stellar Fireworks.

Councillors agree to hold regular surgeries

ILMINSTER town councillors have agreed to host surgery sessions so that members of the public can discuss issues on a one-to-one basis.

The sessions will usually be on the last Saturday of the month at the Annex to Greenfyld School, Wharf Lane, Ilminster from 9.30am until 10.30am.

There will be two town councillors at each surgery session and the rota will be put on the noticeboard in Ilminster's Market Square and on the town council website.

Surgery sessions are a chance for individuals

to raise issues personally with a town councillor - if the matter raised is not a town council responsibility, wherever possible suggestions will be given as to how it may be possible to take the matter forward.

The surgery venue does have layout that means members of the public can talk to a councillor about confidential matters if they wish.

The surgery sessions will take place for a trial period of six months and will be reviewed at the April 2016 town council meeting.

Chard to observe Armistice Day silence

THE ceremonial Armistice Day commemoration will be observed once again outside the Guildhall in Chard next month.

There will be a two-minute silence at 11am on Wednesday, November 11th to signify the moment back in 1918 when the guns fell silent to signal the end of the First World War.

A Chard Town Council spokesman said: "The silence is meant as a tribute to those who lost their lives fighting for their country through two World Wars and many subsequent conflicts.

"People are invited to join with the Mayor, Councillor Dave Bulmer, along with councillors, war veterans and representatives from the Armed Forces to mark the event."

After the two minute silence refreshments will be available in the auditorium of the Guildhall from 11.15am onwards.

A number of local groups will be joining the mayor in commemorating the event by providing music and singing with some of the famous war time songs.

Remembrance Sunday this year is on Sunday, November 8th.

Rugby club to host fireworks

CHARD Rugby Club will be holding a firework display on Thursday, November 5th with gates opening at 6.30pm.

The display will start at 7.30pm and admission is £5 and free for children aged under-ten.

There will be a bar and refreshments will also be available.

'Spooktacular' fun at animal sanctuary

IT'S going to be a really "spooktacular" time at Ferne Animal Sanctuary in Wambrook, near Chard during half-term week.

Organiser Sarah Jackson from Ferne Animal Sanctuary said: "We're having an interactive, creepy trail around the Sanctuary from Monday, October-26th to Sunday, November 1st to help Wendy the Witch find the magic word to help fix her wonky broom stick.

"She needs all the help she can get so she can make it in time to pick up her award for Worm Welfare at the Witches and Wizards Wildlife Awareness Weekend. There will be trick or treat prizes.

"Children can also enter a creepy crawly veg-

etable decorating competition. Vegetables can be carved, painted or decorated in a Halloween theme. They should be submitted with the name, address and age of the child before the end of the day on November 1st. There will be prizes for this too."

Halloween trail and activities are included in the sanctuary's minimal regular entry fee of £2 per adult, £1 per child aged 3-16 years or £5 for a family of two adults and up to three children. Alternatively, an annual pass can be purchased for £4 per adult, £2 per child over 3-16 years or £10 per family.

Sarah added: "There will be Halloween face painting and craft activities on 28, 29 and 30

October from 11am to 3pm - and that's not all.

"Everyone can watch the pigs 'pigging out' on pumpkins on Wednesday, October 28th and Friday, October 30th - that'll be fun!

"We'd like as many people as possible to come along and join in and we'd love visitors to wear their best Halloween costumes during the week if they have them."

Rotary hosts 'Who Wants to be a Millionaire' quiz

IT was a full house at The Shrubbery Hotel last week as the Rotary Club of Ilminster once again hosted its annual quiz in aid of the town's carnival.

President Linda Piggott-Vijeh, who is a keen quizzier and who often runs charitable quizzes in the area, decided this year to run the quiz herself and to have a slightly different format.

She said: "I am always interested to see how different quizzes are run and this year I thought we would have a go at a 'Who Wants to be a Millionaire' type format with multiple choices, and instead of 10 rounds with different categories we had four rounds where all of the questions were general knowledge.

"The feedback was very positive, although, of course, some of the experienced quiz contestants would have

preferred the old style of quiz as they felt that giving everyone a choice of answers enabled those who were less knowledgeable to stand a better chance of winning!

"I was very grateful for the help provided by my fellow Rotarians, who are a great team, especially Ed Wells who acted as quizmaster, and Tony Walker without whose technological skills we would not have been able to put the scores up on the screen."

Kim Toms, of Ilminster Carnival Committee, added: "I was really delighted that Linda had decided to do things a bit differently, and we were thrilled that she managed to raise £300, all thanks to the efforts of Rotary who always support us, this year they are even helping us to collect on carnival night."

■ KICK-OFF: Wilson Smith, Brian Lewis, Bob Bright, Ian Fowler, Dave Charnick, Jackie Evans, Ann Lewis, Denise Smith and Mary Fowler

U3A members try walking sports

THE new walking sports group organised by Crewkerne & District University of the Third Age (U3A) kicked-off on October 16th.

Ten people, including 80-year-old vice-chairman Ian Fowler, turned up for the session at the 1610 sports centre, Crewkerne. After a brief warm-up they played a game of four-a-side football which ended with a 10-6 win for the men.

The next meeting is on Friday, October 30th at 4pm. It is hoped that as numbers increase, the sessions will become weekly, and other games, such as badminton, basketball and netball, will be added.

U3A chairman Anne Bright, who went along to take part, said afterwards: "There was a great deal

of amusement and fun as well as a lot of activity. It is surprising how energetic walking can be, and how difficult it is not to run.

"Although there was a referee for the game, there was a lot of good-natured rule flouting. Everybody enjoyed themselves and did fantastically well for the first time. They are all looking forward to the next session."

■ The first meeting of U3A's new board games group took place at the White Hart pub in Crewkerne October 15th. From a large selection of games available, they chose to play scrabble and dominoes. The next meeting is on Thursday, October 29th at the same venue at 2pm.

Misterton residents celebrate harvest

■ ALMOST 40 local residents joined together at the WI Hall in Misterton to celebrate harvest time on October 13th. A buffet supper was enjoyed, along with a very amusing table quiz, with banter from the Reverend Johnathan Morris. The raffle prizes were beautifully wrapped baskets of produce, which had been donated for the St Leonards Harvest Festival the previous Sunday, which in itself was very well attended. All proceeds from the evening's event were donated to the Farming Community Network.

Crewkerne gets set for firework night

NORTH Perrott Cricket Club, near Crewkerne, will hold its annual bonfire and firework display on Saturday, November 7th, with gates opening at 6.30pm.

A club spokesperson said: "The professionally-run display will be set off against the backdrop of the cricket ground

"There is plenty of parking and hard standing to watch both the firework display and bonfire. In addition, the the club house is open for hot food and

drinks together with bar facilities."

The Rotary Club of Crewkerne and District will also be holding a bonfire and firework display on November 7th.

It will be held behind the Stagecoach Inn on Station Road and gates open at 6.30pm with the fire being lit at 7.15pm and fireworks form 7.30pm. Admission is £6 for adults, £2 for children and free for the under-fives.

AXMINSTER AFC Youth Section

Full report from the Youth Tournament, Saturday 24th October
U8's, U9's, U13's - Tiger Way, Chard Road, Axminster, Devon, EX13 5HN

THERE were plenty of smiling faces despite the blustery autumn conditions as Axminster Town staged a feast of youth football on Saturday morning with parents and supporters spoilt for choice with matches on both of the immaculate new pitches at the Tiger Way Ground.

Honiton U13 Axminster Town

A typical blustery and wet Autumn day the young Tigers roared to a 7-0 victory. They scored early on and this set the trend for the rest of the game, basically one way traffic leaving the defence very little to do.

Going forward Axminster looked a superb with goals from Billy Knox (4), Charlie Bye (2) and Zack Featherstone

Axminster Town U9 Lympstone & Exmouth Youth

THE first match against Lympstone saw the away team take the lead but the young Tigers, playing good football, went into 2-1 lead with goals from Bailey Galloway and Benjamin Morgan.

Axminster went further ahead through Billy Fowler first goal for the team. Lympstone came back into the game for a short spell, but another goal from Fowler made it 4-2 and they eventually ran out comfortable 4-3 winners.

The second match against a very strong Exmouth side in ever worsening conditions saw the Tigers battle hard to get to half time at 1-1 through a goal from Bailey Galloway.

The second half was a good contest but the side from Exmouth finished the stronger. Axminster added a second goal through Billy Fowler but ended up losing 4-2.

Axminster Town U8 v Cullompton Rangers & Wanderers

In the first game against Cullompton Rangers the young Tigers put in a great performance with goals from Toby James (2), Owen Clifton (2) and Christian Dixon scoring in a 6-0 win. Oscar Harris showed some good tackling in midfield in the first half then some good saves in goal in the second!

The second game was a different matter against a physically stronger Cullompton Wanderers team.

The Tigers, with Matthew Reed excelling in midfield, went 2-0 down early on, and although they fought hard to bring it back to 2-1 with a fine finish from Toby James, it seemed to galvanise the opposition, as they went on to score two more and run out comfortable 4-1 winners. On the whole the Tigers had a decent game

The Under 5s, 6s & 7s

The youngest group of Tigers came together for training at the weekend with their typical energy and enthusiasm, had great fun, and at the same time learned that little bit more about the game of football.

The club welcomes children who would like to get involved, so if your child is between the ages of 3 and 17 come on down to Tiger Way on a Saturday morning at 9am, meet the coaches and join in the fun, bringing with you boots and shin pads. The club looks forward to seeing you.

South Petherton bell ringers are record breakers

SOUTH Petherton Parish Church was the scene for the breaking of a 50-year-old bell ringing world record.

A team of 12 bell ringers assembled on Saturday, October 17th, aiming to ring 21,216 changes of a method known as Cambridge Surprise Maximus.

An attempt last year failed, but there was no repeat this year as the mission was successfully completed in 14 hours and 26 minutes. The previous record of 16,368 rings, set in Birmingham Cathedral in 1965 was soundly beaten.

Each ringer had to ring his bell for the whole time without a break, and ringing commenced at 7am.

A spokesperson for the organisers said: "They did it. There was a fantastic atmosphere in church on Saturday evening. It was packed and an excited audience were there to give the ringers a massive cheer when they finally made it downstairs from the bell tower.

"We had a screen and visual connection to the bell tower, kindly provided by Hodges in South Petherton. The umpire set himself up in the bell tower this year, to keep a close eye on proceedings.

"Many pints were enjoyed after the event!"

Members of the world record breaking bell rining team were as follows:

in Devon and his home tower is Exeter Cathedral.

John Hughes-D'Aeth - divides his bell-ringing duties between his home tower at Little Milton in Oxfordshire and Westminster Abbey and St Paul's Cathedral. He is a solicitor who once confessed to writing the contracts for repair and maintenance of most of England's motorways!

Paul Mounsey - his home tower is St Paul's Cathedral in London. One of the most experienced and talented ringers in the country, Paul has amassed about 4,100 peals but would still cherish the longest peal on 12 bells to complete his portfolio.

Andrew Mills - a director of John Taylor Bellfoundry in Loughborough and held the record for being the youngest person to ring 1,000 peals. He is one of the most accomplished ringers of his generation.

John Loveless - has been ringing bells for nearly 50 years all over the UK and in Ireland, USA, Canada, South Africa, Australia and New Zealand, clocking up more than 3,500 peals.

Martin Whiteley - the organiser of this record-breaking attempt. He has an infectious enthusiasm for long peals and also climbs mountains and does triathlons.

Roy LeMarechal - a part-time bell hanger and bell service engineer so

spends more time in church towers than most. When he's at home, Roy tends to his vineyard in his back garden.

Paul Tiebout - a Liverpoolian now based in London and a member of the celebrated bellringing company at St Paul's Cathedral. At 29 he is the youngest in the line-up.

Robin Hall - enjoys ringing peals that are mentally challenging and, of his 13 long lengths, a couple have involved learning more than 50 different and rather complicated methods, every one of which has to be recalled instantly.

Frank Rivett - has rung nearly 2,300 peals and spent the equivalent of 291 days doing so. The old man of the band at the age of 69, you'd put money on him being the last to quit!

Tom Griffiths - took part in a marathon effort that involved ringing three long peals in a 24-hour period, so his credentials for the attempt were impeccable.

Michael Wilby - rang the tenor and in the record attempt and is a leading light in the local 12-bell band that has proved to be the most talented and successful in the country over the last decade.

Ian Avery - owns a peal of miniature bells at his house in Bishopsteignton where a steady stream of visitors try their hand on the aptly named Bishop-Ting-Tong ring. Ian's role at South Petherton was travelling reserve.

Gritters ready for action

SOMERSET County Council's highways team is ready for winter with seven new gritters to keep roads safe when temperatures plummet.

The council has a fleet of 23 gritters and a stockpile of 7,000 tonnes of salt at depots across Somerset, ready to treat around 900 miles of road every time ice is expected.

Councillor David Fothergill, Somerset County Council's Cabinet member for highways, said: "The average life of a gritter is around seven years, after that maintenance costs go up rapidly, so it's important that we keep our fleet up to date so we can cope with everything winter can throw at us.

"The advanced technology in new gritters also allows us to reduce the amount of salt used which helps us reduce ongoing costs and is better for the environment.

"This year we'll continue to treat around 21 per cent of our highways network, keeping the busiest routes clear whenever ice is expected."

Somerset County Council carries out gritting when road surface temperatures are predicted to drop below zero and frost or ice is expected. Precautionary salting normally takes place in the evening or early morning but additional action may be required during extreme weather.

Rain can wash salt away and in very low temperatures salting may not be enough to prevent freezing – so drivers are always advised to take extra caution in winter.

Councillor Fothergill added: "Our highways team do a fantastic job through the deepest darkest depths of winter, but please heed the general guidance to stay safe when the temperature plummets. Never assume a road has been salted and always drive according to the road conditions."

Throughout the winter you can receive live updates on gritting activity directly from the highways team by following @somersegritter on Twitter. For more information about Somerset County Council's winter maintenance programme, including maps of all the roads treated, visit www.somerset.gov.uk/winterservice

Litter costs Martock mum £250 and criminal record

LITTERING has cost a South Somerset mother £250 and a criminal record after she was spotted throwing rubbish into a field.

It is the most recent example of coordinated action by South Somerset District Council with all other Somerset local authorities to tackle environmental crime.

Louise Johnson, aged 32, a single mother of two from Eastfield, Martock, discarded the black sacks of rubbish over a gate at nearby Holwell Hill.

But she retrieved the waste when she was confronted by a public-spirited passer-by.

Prosecuted by South Somerset District Council, Miss Johnson admitted littering at Weymouth Magistrates and was sentenced to 12 months' conditional discharge and ordered to pay £250 costs.

The court was told that Miss Johnson, who works as a carer for the elderly, was of limited means, previously good character, had learnt from the experience and would not

be doing anything like it again.

Councillor Carol Goodall from South Somerset District Council said: "There is no excuse for this type of irresponsible behaviour. Littering is a crime that despoils the countryside, costs money to clear up, and can be a threat to wildlife or pets."

South Somerset enforcement officer Chris Rowland added: "All councils in Somerset are working together to tackle environmental crimes, such as littering.

"If anyone witnesses someone else littering or worse, we urge them to be like the passer-by in this case, report the crime and be willing to give evidence.

"That will help councils get those responsible into court to be convicted and punished."

To report any environmental crime, from littering to fly-tipping, contact South Somerset District Council customer services on ssdc@southsomerset.gov.uk or 01935 462462.

If you have a story to share from South Somerset, call reporter Anders Larsson on 01297 446141 or email anders@tindlenews.co.uk

Winhsam pupils celebrate harvest

■ WINSHAM Primary School pupils held their special harvest assembly for parents and the community in school on Friday, October 2nd. Pupils and members of the community brought in their harvest offerings that will go to St Stephen's Church. The harvest assembly focused on water and the Ancient Egyptians, the school's topics this term, and the pupils sang many songs including "Thank You Lord", "Autumn Leaves" and the younger children told the story of "The Enormous Turnip".

Pub-goers are bonkers for conkers!

THEY were going bonkers for conkers earlier this month at the award-winning Brewers Arms pub in South Petherton.

The pub held its 22nd annual conker championships and again it was fiercely contested competition with some conker bashing on view.

Conkers is a traditional children's game played between two players, each with a conker threaded onto a

piece of string and they take turns striking each other's conker until one breaks.

There was some serious conker players in action at the Brewers Arms – probably rekindling old school playground battles.

But it was Mark Padfield who emerged victorious winning the final 2-1 and with it taking home the coveted garland of conkers.

Revamp of sport complex could start in February

REFURBISHMENT works at the Westland Sports and Leisure Complex in Yeovil could start as early as February next year – after South Somerset District Council moved a step closer to taking over the facilities.

Members of the council voted in favour of the authority taking a 30-year £1.8million loan as part of an overall £2.7million refurbishment project.

The council will now formally submit and negotiate terms with Finmeccanica–AgustaWestland to take over the management and operation of the complex for a 30-year term. Terms are expected to be subject to approval and final sign off by the chief executive of Finmeccanica.

There was an estimated to be over 350 members of public in attendance for the meeting with 12 people speaking in support of the complex reopening.

It is expected that occupation of the complex by SSDC will be February 2016 at the earliest, which is when refurbishment works will commence.

It was back on May 12th that AgustaWestland announced it planned to close the complex at the end of September this year due to increasing costs and the growing subsidy it had to make to keep the site open, along with the impending major investments required to modernise the facilities.

There was a lot of opposition to the closure plans by many of the user-

groups based at the complex and it prompted the district council and Yeovil Town Council to meet with AgustaWestland to discuss its future.

At the meeting all parties agreed to carry out a feasibility appraisal to assess the viability of the district council or another organisation operating the site and continuing to provide a range of sports and leisure facilities for the overall benefit of the community.

Councillor Ric Pallister, leader of the South Somerset District Council, said: "The complex has been a locally important and long standing venue regularly hosting a vast array of sporting activities and different events ranging from functions, conferences, meetings, training events, to weddings, ballroom dances, award ceremonies, festivals and entertainment events.

"The council believes that the complex has the potential to be a first class vibrant entertainment, function and conferencing complex and a successful sport hub once extensive modernisation and refurbishment has taken place and councillors have taken the right decision to approve the loan."

For the record 37 councillors voted in favour of the 30-year £1.8million Internal Loan to use towards refurbishment of the complex, and although nobody voted against, there were 17 councillors who abstained from voting.

Staying active with 'Flexercise'

PEOPLE working with the old and frail in the Chard area are being given the opportunity to learn more about exercise sessions which could help those they look after stay active.

South Somerset District Council's healthy lifestyles team is to hold the "Flexercise" training day in Chard on Thursday, November 5th.

Healthy lifestyles officer Sam Wenden-de-Lira said: "Flexercise is a series of chair based exercises that are an ideal way to keep residents in nursing homes, care homes, Active Living Centres, residential homes and sheltered housing active. The scheme is specifically designed for older and frail individuals.

"Flexercise can also be used to help people with physical disabilities, learning difficulties and those rehabilitating after a stroke. Essentially Flexercise is perfect for a wide range of people who have difficulty exercising."

The training can be accessed by anyone – staff or volunteers – who have no prior knowledge of leading or delivering exercise or physical activity sessions and is running on November 5th.

The Flexercise sessions have a large emphasis on fun and are aimed at benefiting the physical, mental and social health of the individuals undertaking the activity. Following the training it is then possible to lead a Flexercise session in the workplace or a community group.

Training will explain what Flexercise is, the medical conditions that older adults may have and activities that can be used with or without additional equipment. As part of the programme there is ongoing support for the leaders and further training to update the activities that they can use within their Flexercise sessions.

The district council's leisure and culture spokesman, Councillor Sylvia Seal, said: "Our healthy lifestyles team has delivered Flexercise training to hundreds of people working in nursing homes, residential homes and sheltered housing. The workshops are an essential way to keep older and frail people more active and engaged.

For information about the Flexercise programme visit www.southsomerset.gov.uk/flexercise or contact Sam Wenden-de-Lira on 01935-462348 or email sam.wenden-de-lira@southsomerset.gov.uk

SOUTH SOMERSET LETTERS

■ CHARD Town Council would like to thank all the residents who were affected by the recent drainage works on Old Town/Church Road.

We appreciate that, as a result of these works, many of you had to put up with a significant increase in traffic levels as drivers found ways around the road works.

Residents in the roads that were used as diversions have shown a

great degree of courtesy, patience and tolerance and this has helped the life of Chard to proceed as normally as possible during a difficult period.

We would also like to thank Somerset Highways, and their contractors, who have carried out the work in a very efficient manner and have completed it over a week ahead of schedule.

EAST DEVON BRANCH

www.eastdevoncats.com

Remember, remember...your cat during fireworks season

Cats Protection has issued advice to local owners to help keep pet cats safe during the fireworks season.

Whilst the celebrations can be great fun for people, cats can be left stressed out, confused or injured by fireworks.

Apart from the obvious physical damage suffered through accidental contact with fireworks, cats can be badly affected by fireworks noise and lights.

Possible behavioural problems as a result of fear and stress could include house soiling or excessive grooming, whilst there is also the danger of a pet cat running away and potentially not returning home.

A few simple precautions can help owners to keep their cat out of harm's way:

- Keep your cat in after dark and ensure he has access to a litter tray
- Try to reduce outside noise by keeping windows shut and curtains drawn. Playing soothing music or having the TV on may also help. Try not to reinforce fearful behaviour by soothing and reassuring a cat that is looking anxious
- While cats like to be settled in a cosy, familiar territory such as a comfy bed or favourite chair, when feeling scared they need safe places to hide. Ensure they can exhibit this natural behaviour by providing access to a hiding place, such as under the bed, an igloo-style cat bed or something simple like a cardboard box
- Make sure all doors and windows are securely closed to prevent your cat from escaping the home
- A Pheromone plug-in diffuser such as Feliway® can be used to decrease anxiety and spraying and can have a beneficial effect in calming a cat during fireworks. However, you must start using it a couple of weeks before 5 November to maximise the benefit. It should be sited in the room in which your cat chooses to rest. Please speak to your vet for more information

If you are having your own bonfire night celebration this year, then consider:

- Buying hand-held cascading fireworks rather than the noisier varieties
- Holding a 'silent' fireworks display – many companies now offer quiet or almost silent fireworks – giving you the same spectacle without the loud bangs
- Keeping fireworks and bonfire displays as far away from homes as possible, to minimise any adverse effects on animals indoors, although bear in mind the effect these displays will have on wild animals
- Check bonfires before lighting them to ensure that no small animals are sleeping inside

TAR BARRELS

see you there

Thursday 5th November 2015

Not just a tradition more a way of life.

Children's Barrels from 4.00pm – Adult Barrels from 7.30pm

Lighting of Bonfire from 6.30pm

THOSE who visit Ottery St Mary on 5th November find it hard to understand what drives the townspeople to carry flaming tar barrels through the streets.

Eighteen barrels are carried throughout the day. Young boys start the event at 4pm, at Canaan Way, with small barrels, then youths and women with medium barrels and as the evening goes by, the men of the town parade with the 'gert big unz'. Traditionally, the tar barrels are lit in a strict order at the town's public houses and other notable sites, with the biggest barrel being carried in the Square at around midnight.

The barrels used today are selected from all over the country and have many layers of special tar coated around the inside of the barrel. Straw and paper is placed inside the barrel to help the lighting process and the melting tar does the rest.

Children's and Ladies Barrels

The Barrels are 'rolled' under the supervision of the Barrel Sub Committee and start at 4.00pm in the following order on Thursday 5th November from the following locations and last for approximately thirty minutes:

Children's Barrels:

1. Canaan Way – By Car Park (4pm)
2. The Mason's Arms (4.30pm)
3. The Institute (5pm)
4. Plume of Feathers (5.30pm)
5. The Square (6pm)
6. The Square (6.45pm)

Ladies Barrels:

1. King's Arms Hotel – Held King's end of Sandhill St (7.30pm)
2. Lamb & Flag (8pm)
3. Plume of Feathers (8.30pm)

Men's Tar Barrels

The Men's Tar Barrels start at 7.30pm in the following order and last for approximately thirty minutes.

1. Half Moon – Intermediate – Yonder Street/Bridge (7.30pm)
2. Plume of Feathers – Yonder Street/Bridgefield (8pm)
3. Mason's Arms – Yonder Street/Jesu Street (8.45pm)
4. The Five Bells – Intermediate – Yonder/Jesu Street (9.15pm)
5. The London Hotel – Held in the Square (9.45pm)

8. The Lamb and Flag – Yonder/Jesu Street (11.30pm)
9. The Square – (Midnight)

The Bonfire

The giant bonfire will stand on St Saviours Meadow and is lit on the evening of the Carnival by the Carnival Vice President Mrs J M Lovell.

The bonfire is an integral part of the annual Carnival and has many sites throughout its history.

Three weeks before the carnival, all manner of material is collected from the community to build the bonfire. The sight of the first fully laden tractor and trailer seems to herald the coming of the carnival and in turn generates a bout of communal pruning. On the week before the carnival, the bonfire is finalized and usually stands about 35ft high with a girth of around 50ft. A Guy competition is set up for the children of the community and a winner is selected for placing on the bonfire.

On Carnival day the ceremonial Guy is placed on top of the bonfire and in the evening, the Carnival Vice President sets a flaming torch to the base and all enjoys a spectacle of flame.

Traffic

Road closures from 5pm Nov 5th different car park this year half way along Barrack Road no traffic past this point. no drop off or turning on this road. Coach and Car Park at Otter Nurseries. Car Park at the Cricket Club access from West Hill Road. Many roads leading to the town are designated clearways and are all signed.

Safety

Understand what you are attending before deciding to attend. The streets get very crowded and the barrels run in the streets, there are no barriers. The event is not suitable for small children or for persons with limited mobility.

Street Marshals will be in attendance to control crowds and assist the public, where areas become too crowded marshals will restrict spectators moving into those areas. The St John Ambulance will be in attendance along with attendance from the other emergency services.

Above all we want people to enjoy themselves but all those attending must realise they do so at their own risk if you are not sure what to expect visit our website: www.otterytarbarrels.co.uk or type in "Tar Barrels" on any search engine.

Faraday Stoves

FARADAY Stoves is the trading name of Faraday Heating Limited. We have been in the stove business since 1979 and have built a solid reputation for quality workmanship, excellent after sales service and fair prices.

Adding a solid fuel stove to your home will bring not only warmth and comfort to your living space but will also complement the style and design of your home. If you are concerned about your green footprint then burn- ing wood is the most environmentally friendly way to heat your home, as wood burning is considered to be carbon neutral. This is because trees absorb carbon dioxide whilst they are growing thereby balancing the carbon emitted when wood is burned.

What ever your reason for wanting to bring a stove into your home, at Faraday Stoves we have the experience, expertise and products to help you fulfill your desires. We not only sell most brands of stoves we also have a full installation and repairs service so all your needs can be catered for under one roof. Our engineers are fully qualified and HETAS registered and have a wealth of experience to ensure your installation is undertaken with skill and care and most importantly of all is safe.

We have some attractive discounts available for installations undertaken before August, so why not call in now and see us to view the 50+ stoves we have on display and get some helpful friendly advice.

Eden Garden Fencing & Landscaping

AT EDEN Garden Fencing and Landscaping based in Seaton, Devon we have been building and installing quality Fencing, Gates and Decking, along with Landscaping, for some 15 years. This makes finding a Fencing Contractor simple by providing for all clients' requirements, large and small locally. The timber products side of Landscapers, Eden Garden Developments, offers a friendly, professional, integrated service and the Seaton, Devon base covers a 30 mile radius.

A timely example, given the present gusty conditions, is Garden Fencing, where this can be replaced or repaired, depending upon condition and the budget available. This can be either Close Board, Panel (with or without Trellis), Post and Rail or Picket Fencing. Eden Garden Fencing and Landscaping also supply and fit Gates (see insets). Whilst we take pride in installing robust and durable fencing products, "cost leadership" is still at the forefront of the business, whilst keeping quality and the principles of design foremost. Much of the work can be done during Autumn and Winter when the ground is less compacted and this time is also perfect for renovating the garden generally. So by Spring many garden improvements can be ready to be enjoyed.

There is now a dedicated Timber Products website, www.edengardenfencing.co.uk, giving examples of the range and quality of workmanship. Additionally, information can be obtained by calling 01297 23596 (mobile 07977 415446) or visiting the general web pages at www.al-environmental.com

Tip Top Trees

TIP TOP TREES offer a comprehensive range of expert tree services from trees with preservation orders, roadside and dangerous trees to fruit tree pruning. With a friendly team of skilled operatives who always leave every site tip top tidy.

Sean and his team are all qualified in arboriculture meaning they have studied the science of trees as well as the use of practical machinery. This can make all the difference as they know when and how best to carry out work to your trees. One satisfied customer said "Mr Kelly has the ability to 'See' how a tree should look in its setting. This enables him and his efficient workmates to change a scruffy tree into an elegant addition to the garden. Unlike many workers he always leaves the site in a tidy condition"

Sean also holds an Advanced Arboricultural Technician qualification so if you have a tree in an awkward space or near buildings Sean will know the safest and best way carry out the work.

TIP TOP TREES have been established for 17 years offering high quality tree care to BS3998 (2010). We offer a free site survey with no obligation, call on 01404 47103. See www.tiptoptrees.co.uk for references and portfolio of work.

Greenshutters Nurseries & Garden Centre

GREENSHUTTERS Nurseries & Garden Centre is a family run business nestled in the heart of the Somerset countryside. It is open 7 days a week and stocks an extensive range of plants. The Garden Centre has completely changed in the last few years with the layout being completely re-designed. There are new entrances from the road and into the Plant Area and the old-fashioned wooden greenhouse has been restored to its former glory with its bright, white painted wood. Most of the plants are now on tables so you don't have to bend down to look at them and the layout has been designed to make the walk around the plant area enjoyable.

This year Greenshutters Garden

Centre is stocking a much larger range of herbaceous perennials and roses, including new and unusual varieties. There is also a new range of quality garden benches dotted among the plants, so you are welcome to wander around the garden centre and take a rest as you go. You can even sit and enjoy the view over Taunton Vale and the Quantocks.

The business also incorporates EVERGREENHEDGING.co.uk, one of the largest stockists of evergreen hedging plants in the country. Thousands of plants are grown every year on the nursery from small to large, mature hedging plants; the best sellers being Laurel, Leylandii, Photinia 'Red Robin' and Portugal Laurel. These are de-

livered locally or nationwide or can be collected from Greenshutters Nurseries and Garden Centre.

Greenshutters is run by Dr Roger Eavis, who bought the nursery in 1998 and the business has grown steadily every year since then. "We pride ourselves on good customer service and advice, good quality plants and I hope we have created a pleasant place to wander and enjoy the plants," says Roger, "We have a great team of staff who are always willing to help and give advice". Greenshutters Nurseries and Garden Centre is well worth a visit.

Val Davis Traditional Acupuncture

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Lindy Parry Podiatrist / Chiropodist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

Hypnosis can help with your motivation to make changes in your life.

FINDING the motivation to change means keeping up your effort consistently, when it would be easy to give up. It involves doing everything possible to achieve your changed goals.

Regardless of what you want to change, a habit, a fear or even an emotion, from weight to exercise and from creativity to the boardroom, hypnosis can help.

Motivation to change begins with the three D's. The first D stands for direction. Before you can begin the process of change, you must first consider the different directions you can go in your life, and set your achievable goals out clearly. You could continue your life as it is now, make immediate and dramatic changes, or take a slower route to change, either way setting a time-frame helps.

The second D represents decision. With these three choices of direction, you must decide on one direction in which to go. No directions is necessarily right or wrong, better or worse, they're simply your choices. Your choice will dictate what changes in your life and the amount of time and effort you put into those changes.

The third D stands for dedication. Once you've made your decision, you must dedicate yourself to it. If your decision is to make significant changes in your life, whether quickly or slowly, then this last step will determine whether those changes are going to succeed.

Your decision to change will then become a top priority in your life. Only by being completely dedicated to your direction and decision will you ensure that you have the motivation you will need to achieve your change goals.

Clinical and cognitive behavioural Hypnotherapy can help you set out these clear goals and help you stick to your plan helping you stay focused and succeed.

Healing

I am a Reiki Master and have been giving Crystal Healing and Reiki since 2003. I work in Axminster where I have my lovely therapy room. Healing can help with so many things because I work on both physical & emotional levels. Having trouble sleeping? Feel emotional but don't know why? Feeling drained? Healing can help with all these things and anything physical from broken bones to cancer. The client remains fully clothed whilst either sitting in a chair or laying on the couch then I place my hands around the body to channel the healing energy. The client may experience heat or tingling sensations and a deep feeling of peace and calm.

Melanie Philip

WHY AM I IN PAIN?

THE idea that pain means injury or damage is deeply ingrained within our consciousness.

Of course, if the pain starts when one is engaged in physical activity its difficult not to attribute the pain to the activity.

But this pervasive concept of the vulnerability of the back, of ease of injury, is nothing less than a medical catastrophe for the general public.

We now have an army of semi disabled men and women whose lives are significantly restricted by the fear of doing further damage or bringing on the dreaded pain again.

One often hears: "Im afraid of hurting myself again, so im going to be very careful what i do". In good faith idea has been fostered by the medical profession for years. It has been assumed that neck, shoulder, back and buttock pain is due to injury or disease of the spine and associated with structures or incompetence of the muscles and ligaments surrounding these structures without scientific validation of these diagnostic concepts. Melanie Philip said: "My work in the field of Bowen has brought me gratifying success in the treatment of these disorders based on a very different observation. The majority of these pain syndromes are the result of a condition in the muscles, nerve, tendons and ligaments brought on by Tension".

One of the primary objectives in Bowen is to create an unwind effect through the soft tissue by using gentle rolling type moves over specific areas. This has the potential to address the accumulated tension holistically and to set up the process of healing and repair."

THERAPY of the Month

Rosen

Rosen Method Bodywork uses a gentle 'listening' touch, words and presence to encourage and support the letting go of deeply held muscle tension, which can be profoundly relaxing. It is the release of tension, often emotional in nature, which frees the breath and brings awakening and awareness to our being.

Linda Rock is our Rosen practitioner and can be contacted directly to arrange a treatment. Call 07989 851 606 or email rock2rosen@gmail.com

Mindfulness for Young People

What is Mindfulness and how can it be of benefit to me?

Mindfulness is all about being in the present moment. Practicing Mindfulness can help you to feel calmer, more fulfilled and improve concentration. It can also help you to perform more effectively in music, sport and improve study skills. Mindfulness is proven to help people manage levels of stress and anxiety.

A Mindfulness Taster for Young People is planned for November 26th from 4:30pm-5:30pm. It is being delivered by Jem Shackelford who is .b qualified and currently teaches Mindfulness to Young People.

The taster will introduce Mindfulness and explore the potential benefits you may gain from engaging with regular Mindfulness practice.

Samantha Davey Clinical Hypnotherapy

Freedom from anxiety

ARE you fed up feeling stressed, anxious or tired? Do you constantly worry? Do you avoid situations that make you feel anxious? If so hypnotherapy can help you to feel physically relaxed and mentally calmer, more positive and confident facing life and your future generally.

Samantha Davey, a registered hypnotherapist, says "I see more people with stress/anxiety and related issues than anything else. Hypnotherapy helps you to discover the inner resources you already have to overcome worrying thoughts, moving from fear and nervousness to confidence and belief in yourself..... enabling you to enjoy life more."

Hypnotherapy is a safe, enjoyable therapy that often brings rapid results, improving both physical and emotional well-being. Most people find it a deeply relaxing, calming and up-lifting experience that can lead to transformation in many areas of life. All that's required is an open mind, desire to change, belief this is possible and willingness to fully participate. Beginning a course of hypnotherapy could be one of the most empowering decisions you ever make.

Samantha offers a friendly, professional and supportive service in Seaton and Axminster. To book a complimentary consultation call 07809 447720, or email info@hypno4freedom.co.uk

LOOK GOOD FEEL GREAT

West of England Laser Centre

Twas the knife before Christmas

IF you are considering eyelid surgery to remove excess skin or fat and freshen and rejuvenate your appearance ready for New Year then Christmas period offers excellent recovery period and 'hideaway' time ready for a fresher, younger (yet still natural) appearance.

Excess skin and fat is surgically removed, usually from the outside, using natural skin creases, leaving no visible scar. This can be combined with laser skin resurfacing, or injection treatments, to remove facial lines.

Surgery is performed at Nuffield Health Taunton Hospital by a Consultant Oculoplastic Surgeon, who specialises in plastic surgery around the eye and who also holds an NHS Consultant post. In addition the Consultant is fully trained in the use of lasers for other skin problems such as removal of fine lines/wrinkles, birthmarks, age/sun spots, moles, thread veins, excess hair and tattoos. For further information please telephone 01823 331773 or visit our website at www.welc.co.uk

East Devon Sport Therapy & General Injury Clinic

East Devon Sports Therapy is based in Seaton and specialises in sports and general injuries with a client age ranging from 8-98. Bringing in a wide range of clientele from all over the country, our client base includes top end athletes from GB and other national sporting teams right down to grass route level, with specific rehabilitation for each individual's needs. If you have never been a sports person that doesn't matter! Any physical injury from any background can be treated, whether it's arthritis or a strained shoulder. All of the latest equipment and top techniques are used to rehabilitate your injuries back to full fitness.

About Laser Therapy (LLLT)

Low level laser therapy (LLLT) is the application of red and near infra-red light over injuries to increase the speed, quality and tensile strength of tissue repair; resolve inflammation and relieve pain. The effects are photochemical (like photosynthesis in plants). When the correct intensity and treatment times are used, red and near infrared light reduces oxidative stress and increases ATP. This improves cell metabolism and reduces inflammation. LLLT is popularly used for acute and chronic pain on soft tissue injuries, joint conditions such as osteo and rheumatoid arthritis, neuropathic pain, post

operation recovery and general body aches. LLLT users include British and US military, premier division football teams, Olympic teams, Formula 1, national rugby and cricket teams.

RS Footscan

This system offers analysis of walking and/or running over the RS footscan mat with over 4000 sensors embedded into it to gain in-depth analysis of your foot positions, pressure and force distributed during the motion, in both 2D and 3D. The advanced software allows automatic division of the foot into specific regions. This allows force and pressure distribution within these areas to be analysed and associated with certain foot mechanics and functions. Force & pressure distribution in all regions of the foot can be analysed in graphical format, allowing insight into force & pressure in both localised and general areas under the foot during the stance phase. Once this information is achieved we are able to prescribe custom made orthotics to suit your individual needs. During gait analysis you will also be filmed and implemented into a very specific computer programme to analyse the angles of your hip, knee and ankles, as well as looking at stride length, pronation and body positioning whilst walking or running.

East Devon Sports Therapy & General Injury Clinic

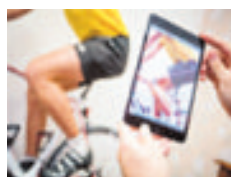

The only clinic within 100 mile radius using the same laser therapy system (LLLT) as the Olympic and top international sports teams for photobiomodulation.

When cells are stressed, Nitric Oxide inhibits oxygen consumption by mitochondrial cytochrome c oxidase. This reduces production of a protein called ATP. LLLT displaces Nitric Oxide from cytochrome c oxidase thereby reducing inflammation and restoring ATP production, in turn allowing tissue to heal quicker and relieve pain completely drug free.

Other users of the same laser system include Harvard Medical School, NASA researchers, US NavyRAF, British Army, BUPA and many more.

Very happy to be sponsoring Alex Lane for his international badminton career. Alex is currently ranked number 4 in England for men's singles, his past results include Euro junior champion, 4th place at the youth Olympics, he's competed in world junior championships and just last week won his first senior title at the Slovakian international. His future goals are to compete in the commonwealths and Olympic Games, be ranked number 1 in England and top 10 in the world and we are pleased to be part of his journey!

Recently Guy attended the laser HQ in Chesham to trial the only laser bed in the UK. Currently being used by the Brazilian Olympic teams and other top sports clubs, for enhanced endurance, performance and lowering the effect of DOMS. The bed has been trialled for numerous tasks one showing that it works better and more effectively than ice baths! Other uses include pain relief, weight loss and much more! We hope to be trialling this equipment in our clinic for sporting, arthritis and other soft tissue injuries.

Musical Theatre Society prepare for Jesus Christ Superstar

PREPARATIONS are about to com-mence for the group's production of Jesus Christ Superstar which takes place at the Manor Pavilion Theatre from Saturday 19th to Saturday 26th March (Easter Saturday). The pro-duction will be directed and choreo-graphed by Vicky Evans. Simon Carter will be the Musical Director assisted by Angela Blackwell.

JCS is the rock opera by Andrew Lloyd Webber and Tim Rice, which is loosely based on the gospels' ac-counts of the last week of Jesus's life. A large part of the plot focuses on Judas who is depicted as a tragic figure dissatisfied with the direction in which Jesus steers his disciples.

Audition rehearsals take place on the 28th October and the 2nd No-

vember with open auditions them-selves on the 3rd November at the Manor Pavilion Arts Centre and the 4th of November at St Peter's Hall, Sidford. More details are available from www.sacos.co.uk, facebook Sidmouth Musical Theatre page or from Nigel Broome (07500 906594).

STAG remembers WWI

SHUTE THEATRE AND ARTS GUILD'S 2015 production will be a commemoration of the First World War. Director Elisabeth Miller says: "Two years ago I was asked by the Chairman of Kilming-ton Royal British Legion if I would consider putting on a play during the four-year period of Centenary commemorations. The obvious choice was R.C. Sheriff's gripping and moving piece *Journey's End* and the STAG Committee backed it with enthusiasm".

The play has become a classic illustration of life in the front line in the First World War. A strong cast will recreate the

style and standards of the period with the tension, tears and humour of a group of men living on the edge of mortal danger.

You will be drawn in to share the intimate relationships and friendships of the group with all their strengths and weaknesses.

Don't miss this very special presentation.

Tickets available at: Archway Bookshop, Axminster 01297 33595; Hurford Stores, Kilminster 01297 33203; Frank Property, Seaton 01297 24022; The Little Shop, Colyton 01297 551374, or on-line at www.shutetheatreandartsguild.org.uk

A 'Sweet' firework night

THE OLD INN at Kilminster is hosting its annual Bonfire night celebrations, this will be the 6th year that the Old Inn has hosted the event. The evening starts with the bars opening at 6pm with a range of real ales all at £3 per pint. Sausage and Mash is served from a hot buffet in the skittle alley and music is provided this year by Adam Sweet.

It's a great night of Bangers and Mash with a variety of sausages available, the kids can get involved too with sparklers and soup is served for those who need really warming up.

No bonfire is lit, the pub has after all got to look after its brand new thatch, but fireworks are a must and are set off from 9pm in the field at the rear of the pub. Parking is available and there is more parking in the village. Entrance is free and it is hoped everybody will enjoy the discounted ales and sausage supper before enjoying the fireworks.

It promises to be a very enjoyable night, more details can be found online at www.oldinnkilminster.co.uk

The small hall with the BIG reputation David Hall

FOLK • ROOTS • ACOUSTIC • JAZZ • BLUES • DANCE • THEATRE • FILM

OCTOBER is proving to be a very busy and successful month for music at The David Hall.

Events started on Saturday 3rd when we welcomed CoCo and The Butterfields for the first time. A nearly full house really enjoyed this 'Chance to Dance' event, which had the majority of the audience on their feet throughout the performance by this excellent band from Canterbury. CoCo and The Butterfields have secured a large following and they will certainly be back with us in the not too distant future.

Saturday 10th was another great night – and very different to the CoCo gig - when we welcomed back singer/songwriter, Steve Tilston. Steve was joined by ex-BBC Radio Bristol presenter and harmonica virtuoso, Keith Warmington. This brilliant evening featured a selection from Steve's vast repertoire and he again proved why he is still one of the best performers on the circuit.

On Saturday 17th a fairly small audience really enjoyed the first-ever visit to South Petherton by the duo, Winter Wilson. Dave and Kip are multi-talented and both possess clear and powerful voices. A performance of mainly self-penned material, with the odd classic cover thrown in, was the perfect mix, and their performance was appreciated by all.

On Sunday 18th the music took a totally different direction with another visit from the classical ensemble, the Divertimento String Quartet. They attracted a good-sized audience who have requested more concerts of this type. This we will certainly try to arrange!

Music came to an end for the month with a performance from the amazing Kora player from Senegal - Seckou Keita. Wow! A hundred people were totally mesmerised and charmed by his truly outstanding performance. Nights get no better than this! Seckou tuned his 22 string instrument quicker than

most guitarists and then performed a long set which was jaw-dropping in both its quality and complexity of the material. Seckou was supported by a young lady from North Wales called Gwyneth Glyn. The Welsh language has never sounded better! Hopefully, Seckou will be back in 2017!

November will bring us four high-quality, but very diverse, music gigs.

Firstly, on Friday 6th, the totally unique FB Pocket Orchestra will perform. This multi-talented trio explores the music of the period, 1900 to 1930 – including Jazz, Classical, Country and Blues. I have seen this band and know that the audience will be impressed and charmed in equal measure by both their performance and their material.

Friday 13th will see the return of one of our most popular bands - Gigspanner. Fronted by Steeleye Span's master fiddler, Peter Knight, their tracks will include many from their riveting new album, *Layers of Ages*. Gigspanner's army of fans will ensure this will be another well-attended event and we look forward to an impressive gig.

On Saturday 21st, the wonderful Martyn Joseph returns to The David Hall. Martyn is a mean guitar player who has developed a unique percussive style. This is teamed with a powerful show-stopping voice that has earned him the title of 'The Welsh Springsteen'. This tour marks the release of Martyn's new album. He is a performer like no other and a sell-out event is highly likely.

Musically, November at The Hall will end on Saturday 28th when the legendary band, Lindisfarne, will be re-visited with a performance of *The Lindisfarne Story*. This great show features former members Billy Mitchell and Ray Laidlaw and consists of not only acoustic versions of classic songs but also behind-the-scenes stories, all illustrated with archive video and stills. This show toured in 2014 and was a total sell-out. If you

intend to come along, please get your tickets very soon!

Thanks to everyone for their brilliant support of what we put on at The David Hall!

All the very best,
Pete Wheeler, Petherton Arts Trust

Further events at The David Hall in October and November

From Tuesday 27th to Friday 30th October, South Petherton Combined Arts Drama Group will present two one-act plays – *Last Tango* (in South Petherton), a satirical farce by David Tristram, and *Too Long an Autumn*, a poignant comedy by Jimmie Chinn.

On Saturday 31st October, Freya – A Viking Saga, which is a family puppet show suitable for children age 4 and over, will take place at 2.30pm.

On Saturday 7th November there will be a Craft Fair from 9.30am to 12.30pm (entry is free) and from 7.30pm, another Film with Food Night – which is certain to be a huge success. This will feature *The Second Best Exotic Marigold Hotel*. Come as you are, or dress up suitably for the film, and enjoy a delicious, appropriately-themed light supper. Advance booking is required by Wednesday 4th November. Tickets: £10.00. No concessions.

Saturday 14th November brings another opportunity to celebrate the art of poetry with Petherton Poetry Please 2015 and on Friday 20th, Petherton Picture Show will present *Suite Francaise*, starring Michelle Williams and Kristin Scott-Thomas.

The David Hall's popular monthly Coffee Morning will be on Wednesday 25th, from 10am to 12pm, while Performance Night is scheduled for Friday 27th, at 7.30pm. To perform, please drop an email to folk@chriswatts.org

Finally, at 3pm on Sunday 29th November, Petherton Arts Trust will celebrate the start of Christmas with The David Hall Christmas Tea Party. Enjoy live music, Christmas stalls and children's entertainment. Plus, be part of the countdown for the South Petherton Christmas Lights Switch-on. Entry will be free.

For further details about any of the above please check the website, www.thedavidhall.org.uk, or call 01460 240 340.

Lyme Bay Pizza's

turkey dinner topping

A new take on festive favourite

AT LYME BAY PIZZA they don't serve traditional roast turkey – they offer their own unique take on the festive season.

What they do have is the turkey dinner pizza, topped with roast turkey, chipolatas, smoky bacon, sage leaves and finished with cranberry sauce. There is also the dessert pizza which starts with a chocolate dough base, topped with fruit, nuts and choc chip.

They don't just offer pizzas either; the fish on the Christmas menu comes from the wet fish shop down the road from the restaurant (visit their

website at www.wetfishshop.com) and there is a selection of meat and vegetarian options as well. The full menu is available online at www.lymebaypizza.co.uk or pop into the restaurant for more information.

Lyme Bay Pizza has room for parties of up to 20 people and are able to accommodate all dietary requirements.

Lyme Bay Pizza are also running an early booking deal where you receive a free drink with your meal if you book before October 31st.

From all of at Lyme Bay Pizza – we look forward to hearing from you.

A NAME TO REMEMBER

Lyme Regis' own Joanna Cooke to release debut EP 'Remember Me'

WITH INTERNATIONAL recognition for her high quality vocals among dance music producers and labels in Brazil, the USA and Europe, and 100+ live shows a year in 2014 and 2015 in the South West, popular vocalist Joanna Cooke, Lyme Regis-born and now residing in Plymouth, brings her own recorded music to the fore with the release on October 26th 2015 of her debut EP 'Remember Me'.

Featuring four of her own compositions, 'Remember Me' sees Joanna's expressive and distinctive vocals work the full range of emotions from warm, cultured and classy to heartfelt powerhouse performances. Lead track 'He's My Boy' uses the original vocal from Joanna's demo, recorded at 2am in the darkness of her own front room, and captures the 'first take' special qualities in a fine song.

With production again from Matthew Arundell, the EP follows Joanna's earlier single 'Last June' with musical collaborator Nathan Austin; and guest appearances on other local artists' records, which prompted the comment of "the superb Joanna Cooke" from BBC Introducing Devon.

The *Remember Me* EP is available in digital download (iTunes, Amazon etc) and CD formats.

For more details, a list of upcoming gigs, and to keep up-to-date with Joanna, visit joannacooke.co.uk or like her Facebook page at www.facebook.com/joannacookemusic.

Jivestar's 50s Jukebox

FLISS GORST'S JIVESTAR are a dazzling London based band who perform the very best of 1950s popular music for your dancing and listening pleasure! From Elvis to Sinatra and Bill Haley to Jackie Wilson, their '50s Jukebox' show will transform you back to that magical decade.

The band are led by saxophonist Fliss Gorst (originally from Axminster and thrilled to be returning to East Devon to perform with her band at The Gateway!) and consist of a stellar line up of London's finest musicians including

highly acclaimed vocalist Shane Hampsher. Widely regarded as one of the UK's top swing singers Shane performs regularly with his own band nationwide, as well as with The Ronnie Scott's Big Band and Pete Long Orchestra to name a few.

Experienced performers, Jivestar have played on the main stage at Ronnie Scott's Jazz Club, regularly at The Spice Of Life Soho. If you are up for a Jive then these guys deliver the music you need and then some...

Fliss Gorst's Jivestar perform the '50s Jukebox' show at The Gateway, Seaton on Saturday, November 7th. Doors open 7.30pm. A licensed bar will be open. Tickets are £13 in advance or £16 on door, available from website ticket shop or The Gateway Box Office on 01297 625699. Please note website ticket sales incur a 50p surcharge.

The future of jazz is here

TWO OF the brightest young stars in Britain's jazz firmament will be showcasing their talents at Ilminster Arts Centre on Friday, October 30th. Amy Roberts and Richard Exall are both multi-instrumentalists who perform an eclectic mix of high-octane music on a range of clarinets, saxophones and flute. Their latest album *Why Not?* has

been getting rave reviews from critics such as Just Jazz magazine who judged it "Terrific [...] right from the first note to the last".

Their set includes popular standards and vocals as well as more unusual material inspired by early jazz/swing and Latin music, to provide an entertaining programme that crosses musical

styles and boundaries.

The Amy Roberts, Richard Exall Quintet play at Ilminster Arts Centre on Friday, October 30th at 8pm. Tickets are £15, and a pre-show supper is available for £12 at 7pm but must be booked in advance. For more details and to book call 01460 54973 or visit the website at www.meetinghouse.org.uk

James Redmond to headline Comedy Grove

THE GATEWAY in Seaton's Comedy Grove returns this Friday, October 30th, with a well-known face from TV headlining a top quality line-up.

Topping the bill, **James Redmond** is a dry, slick and subtle stand up who delivers unexpected twists and turns during his set as he deconstructs his art. He has a track record as a model and actor and is best known for seminal roles in *Hollyoaks* (C4) and *Casualty* (BBC 1) as well as having presented CD UK alongside Cat Deeley

and appeared as a guest on *Never Mind The Buzzcocks* (BBC 2), *Celebrity Who Wants To Be A Millionaire*; (ITV 1) and *Soccer AM* (Sky 1).

Tony Coward is a rapidfire gag merchant with an arsenal full of one-liners. For laughs-per-minute he's a tough act to beat! His quick wit has made him a sought after act and comper by comedy clubs and promoters across the UK and even for gigs worldwide. Something of a Twitter sensation, Tony's jokes turn up in all sorts of

places, from greetings cards to The Times newspaper, even if you've never heard of him there's a good chance that you'll have laughed at one of his gags.

Sally-Anne Hayward is charming and popular, with a winning brand of autobiographical humour. She'll take you on a journey through her slightly eccentric world, including insights into the female psyche and her compulsion to send off spoof job applications.

An experienced and versatile

comedy performer,

Matt Green performed in the prestigious showcase The Comedy Zone in Edinburgh 2005, and was placed second in the Hackney Empire New Act Awards in the same year. He's now a regular on the comedy circuit, performing in clubs across the UK and the world with a high energy mix of personal stories, observations and sharp audience interaction.

Doors Open 7.30pm, due to popularity of this event its advisable to pre-purchase your tickets. £10 in advance available from website online ticket shop or from The Gateway box office 01297 625699. Please note tickets purchased online carry 50p surcharge. Licensed bar and you are welcome to bring your own nibbles for your table.

Pulman's Property View

GRADE II LISTED GEORGIAN PROPERTY, IN COLYTON – GUIDE PRICE: £300,000 TO £350,000

FOR Sale by Auction on the 4th November (unless sold prior) in conjunction with Clive Emson Auctioneers at the St Mellion International Resort, Saltash near Plymouth. GUIDE PRICE: £300,000 to £350,000.

Garton House is a Grade II Listed, partially attached, substantial Georgian property situated close to the town centre of Colyton, within a few hundred metres level walk of most of the town's amenities. Although the property is in need of

modernisation and repair, the house could make a very attractive, spacious family home. The accommodation provides four good sized bedrooms and bathroom on the first floor, two reception rooms, spacious hallway, kitchen and w.c. on the ground level. Outside, to one side and continuing to the back of the property is a gated driveway providing parking for several vehicles and a garage. This is unusual for a property so close to town. On the other side of the house, accessed from the dining room is a very pretty and well stocked part-walled garden. And finally, behind the garage, a door leads to a further small enclosed garden area.

Colyton is a pretty little market town (more like a village) with a small town centre offering a good range of daily needs including two convenience stores, fish and chip shop, butcher, hairdressers, post office, small stationers, pharmacy, health

centre, garden centre, library and a few other individual shops. There is a primary school in the town and the well regarded Colyton Grammar School is just over a mile away. A beautiful Church is at the heart of the town and there is an interesting variety of architecture. The tram from Seaton which runs along the Estuary stops at Colyton and there are frequent buses to Seaton and Axminster. Nearby Axminster (6 miles), has a mainline station with regular trains to London Waterloo and Exeter. The city of Exeter is approx. 25mins by car and the airport just outside Exeter is approx. 19 miles. Please call Gordon and Rumsby for more details or to arrange a viewing on 01297 553768.

Job term: Part-time, Permanent
Based at: Shute Community Primary School (Roll 65) (Part of the Axe Beacon Federation)
Responsible to: Head of Teaching and Learning
Hours: Up to 21 ¼ hours per week (5 days), term-time only [08.45 - 13.00 mornings and lunchtime]
Salary details: Grade B (£7.06 - £7.88 per hour) TA duties
Grade A (£7.00 - £7.06 per hour) MTA duties
Closing date: Friday, 6th November 2015, 12 Noon
Interview date: Wednesday, 11th November 2015

This is an exciting opportunity to join a well-respected village primary school with a great reputation. We are looking for a highly motivated individual to join our friendly and hard-working team. You will need to be an enthusiastic and committed teaching assistant with good numeracy skills who will work closely under the supervision of the class teachers for Key Stage 2 to improve learning outcomes for children.

The role will involve:

- Working across Key Stage 2 [2 classes]
- Carrying out interventions. Working with small groups or one-to-one with children
- Up to 1 hour supervision of children at lunchtimes is included in the hours [to be discussed at interview].

Visits to the school are warmly welcomed. Please contact the School Administrator on 01297 33348 to make an appointment. Application forms and further details can be downloaded from the federation website [http://www.axbeaconfederation.co.uk/] or the school website. Please email applications to: Mr Adrian Hilliard, Federation Business Manager at ahilliard@axbeaconfederation.co.uk.

A DBS disclosure is required for this post. We are committed to safeguarding and promoting the welfare of children and young people, and expect all staff and volunteers to share this commitment.

**Allan Bright
Sawmills**

ALLAN Bright Sawmills supplies timber, fencing, gates, garden furniture and timber buildings throughout the Southwest including Devon, Dorset, Somerset and surrounding counties supplying to both trade and the general public.

At Allan Bright Sawmills we mainly use locally grown timber. Not only is this good for the local economy but also benefits the environment as the need for transportation is greatly reduced. We produce premium quality tanalised timber for fencing, landscaping, decking and agricultural use. We actively promote sustainable timber managed woodlands. We have served the local community since 1973 and pride ourselves on excellent customer service. Our attention to detail is the very best in the business. Our craftsmen can make any timber product to your individual requirements.

Our timber yard is fully stocked with everything from decking to fencing. We are open between 8am-5pm Monday to Friday and between 8am and 11am on Saturday.

The Audi RS 6 and RS 7 'performance' models

▲ The Audi RS 6 Avant performance

A NEW peak is about to be reached in the Audi RS range as RS 6 Avant and RS 7 Sportback 'performance' models join their existing and already formidable counterparts and ramp power up to a colossal 605PS and torque to up to 750Nm. Despite doing even greater justice to the RS badge by translating their 45PS and 50Nm output advantages into a supercar-challenging sprint time of just 3.7 seconds, the new RS performance models retain the same best-in-class fuel economy and efficiency figures as their 'standard' equivalents.

Available to order in the UK from November, and scheduled for first deliveries here next February, the RS 6 Avant performance

will be priced at £86,000 OTR and the RS 7 Sportback performance at £91,600 OTR. The 4.0-litre TFSI engine at the heart of both bolsters its 605PS output with a 700Nm torque peak which can be temporarily increased by the driver to 750Nm by way of an overboost function.

The two RS high-performance models sprint from 0 to 62mph in just 3.7 seconds, an improvement of 0.2 seconds over the respective standard RS model, and need just 12.1 seconds to accelerate from 0 to 124mph, giving them a 1.4-second advantage. In each case the governed 155mph top speed can be increased as an option to 174mph, or 189mph if the dynamic package plus is specified.

Despite the 45PS output boost, the sonorous V8 biturbo power unit returns up to 29.4mpg in the RS 6 Avant performance and 29.7mpg in the RS 7 Sportback performance, corresponding to 223 and 221 g/km of CO₂.

Engineering expertise gathered by Audi and quattro GmbH over many years of RS model development has been invested in the upgraded 4.0 TFSI, from the specific engine management system with increased rpm and boost pressure to the Audi cylinder on demand (COD) system, which only activates four of the eight cylinders when under part load.

The standard eight-speed tiptronic transmission has been designed to maximise the potential of the even more extreme engine in both the new RS 6 Avant performance and the new RS 7 Sportback performance. The driver can choose between the modes D and S or change gears manually either by tapping the selector lever or by using the shift paddles on the RS multifunction sport leather steering wheel. In manual mode, a shift indicator in the driver information system or optional head-up display indicates the rev limit.

Quattro with sport differential

quattro permanent all-wheel drive delivers the power to the road and flexibly distributes torque as needed via the centre differential. In the standard configuration, 40 per cent flows to the front axle and 60 per cent to the rear. The wheel-selective torque control intervenes as necessary. A sport differential acting on the rear axle is also standard, and enables active torque distribution between

the inside and outside wheel.

With its dynamic set-up, the standard RS adaptive air suspension lowers the body of the RS 6 Avant performance and RS 7 Sportback performance by 20 millimetres. The integrated damping control varies as a function of the road conditions, driving style and the mode chosen in Audi drive select. As an alternative, the tauter RS sports suspension plus with Dynamic Ride Control (DRC) is also available, and both set-ups can be complemented by optional dynamic steering with a continuously variable steering ratio.

The driver can modulate the function of key components using Audi drive select, including the steering, engine and sound management, the tiptronic transmission and the

sport differential. The RS performance models, like the all-new R8 sports car, make the Audi drive select configuration process even quicker and easier by enabling the driver to switch between the auto, comfort, dynamic and individual modes without taking eyes off the road using a special button on the RS multifunction sport leather steering wheel.

In both RS performance models, 21-inch cast aluminium wheels channel the exceptional output with the help of 285/30 tyres in the RS 6 Avant performance and 275/30 tyres in the RS 7 Sportback performance. The four internally ventilated brake discs have a weight-saving wave design, and can be replaced by carbon fibre-ceramic discs as an option.

More dynamic, stylish, practical and refined than ever before

THE reinvention of the MINI brand continues apace with the launch of the all-new MINI Convertible. With major refinements against its predecessor, the car features a striking new design and significant enhancements to make open-topped MINI motoring even more dynamic, stylish and practical.

Officially on sale in the UK from March 2016, it follows hugely successful model launches in 2004 and 2009. After 12 years of sales success, it remains the only premium soft-top four-seater convertible in the small car segment, and the UK continues to be the largest market worldwide for the new MINI Convertible.

Brand new features include a fully electric roof that is quieter and smoother than the previous model, a fully integrated rollover protection system and more rear space than ever before.

A striking new exterior and interior design ensures the new MINI Convertible is unmistakably MINI, whilst showcasing a blend of sporting flair and elegant dynamism.

The all-new MINI Cooper Convertible and Cooper D Convertible are 3,821 mm long, with the MINI Cooper S Convertible 3,850 mm long. All models are 1,727 mm wide, 1,415 mm high and have a wheelbase of 2,495 mm.

Those dimensions have increased compared with the

outgoing model, with 98 mm extra length, 44 mm extra width and 1 mm extra height. The wheelbase is 28 mm longer and track width has also grown a further 42 mm at the front and 34 mm at the rear.

The increase in dimensions has enhanced comfort levels and freedom of movement in all four seats. The two front seats have a wider range of adjustment, while rear passengers benefit from easier access, more headroom, a longer seat surface and improved lateral support. The design of the new rear more clearly defines the two individual seats.

Day-to-day practicality has also improved. Smart design and interior packaging means luggage volume has expanded by around 25 per cent to 215 litres with the roof closed and 160 litres with it folded down.

A high level of standard equipment across the range includes MINI Visual Boost Radio with a 6.5-inch screen, MINI Connected, Bluetooth connectivity with USB audio, Rear Parking Distance Control and a Reversing Camera.

Personalisation is once again at the heart of the new MINI Convertible. Options include an industry-first Union Jack design woven into the MINI Yours fabric roof. There are two new exterior colours – Caribbean Aqua and Melting Silver – with a new Chester leather in Malt Brown available for the interior.

A three-car range will be available from launch – the MINI Cooper Convertible, MINI Cooper D Convertible and MINI Cooper S Convertible – with two petrol engines and one diesel. On-the-road pricing starts at just £18,475.

The new MINI Convertible: open-topped motoring in style

The most important element of any convertible is its roof, and MINI has gone to great lengths to further improve the quality of this key component. Fully electric, the roof of the new MINI Convertible is suitable for year-round use and has been optimised for the very best

heat and acoustic insulation. Quieter than ever before, when opened it folds neatly behind the rear seats. The front roof section can also be retracted by up to 40 cm, and this can be carried out at any speed.

For a quick reaction to sudden changes in the weather, the soft-top can be opened and closed at speeds of up to 18 mph. The two operations are activated by means of a toggle switch on the front roof frame. When the vehicle is stationary, it can also be operated using a button on the remote key. Both operations take just 18 seconds. A button located in the driver's door trim allows for simultaneous opening and closing of all four side windows.

Intelligent UK drivers say yes to life changing technology

BRAKE, the road safety charity, is urging the government to take steps towards introducing intelligent speed adaptation (ISA) on UK roads, after a survey carried out on behalf of the charity found almost two-thirds (63%) of drivers would be willing to let this ground-breaking technology automatically restrict their speed.

ISA technology uses GPS combined with a digital map of speed limits to keep vehicles to the posted speed limit. This technology could potentially make other speed control measures unnecessary and ensure all drivers comply with speed limits at all times, preventing thousands of needless deaths and injuries.

A further quarter (23%) of drivers said they would be willing to have 'advisory ISA' fitted, a system which alerts them when they are over the speed limit, but does not automatically

reduce speed.

That leaves only one in seven (14%) of drivers unwilling to make use of the technology in any form.

Controlled trials of ISA have predicted voluntary ISA could reduce road deaths by 21%, and mandatory ISA could reduce deaths by 46%. Advisory ISA is far less effective, but could still reduce fatal crashes by 5% [1]. This could save 85 lives a year.

The survey found overwhelming support for the introduction of 'telematics', with almost three quarters (73%) of UK drivers say they would be likely or very likely to have telematics fitted in their vehicles, given the option.

Brake calls for the government to take full advantage of ISA, by producing a digital speed limit road map of the country, requiring vehicle manufacturers to equip all vehicles with ISA technology, and making ISA mandatory, introducing it with an effective marketing campaign to explain its purpose.

Gary Rac, director of communications and campaigns at Brake, said: "ISA represents a game-changer for road safety, with the potential to make all other speed enforcement unnecessary and prevent nearly half the devastating deaths on our roads. As speed is at least an aggravating factor in almost all road crashes, this technology could make our roads much safer for everyone, and prevent thousands of senseless casualties every year if rolled out systematically. As yet, there has not been the political will to roll out ISA despite its potential. However, as these results clearly demonstrate, the willingness exists among the driving public to use ISA to make speeding on UK roads a thing of the past."

Robins and Tigers surging up the tables

Pethy title hopes dented by leaders Beaminster - Combe blow 2-0 interval lead

MATCH REPORTS

Tuesday, October 20th

BISHOPS SUTTON 1 CHARD TOWN 2

Toolstation League Division One

CHARD Town moved up a place to fourth in the Toolstation Western League Division One table after taking their recent points haul to six in four days with a 2-1 win over lowly Bishops Sutton on Tuesday evening.

Early goals from Scott Holland and Ed Butcher put the Robins in the driving seat. But the Bishops halved their arrears just before the interval.

Chances came and went in the second-half but Chard had done enough to earn their win.

"They (Bishop Sutton) certainly didn't look like a bottom of the table outfit - they had at least five new players so expect them to push on up the table," said Chard manager Adam Fricker who picked out Shaun Wells-Burr and Sam Spurway as his top performers in a solid display.

An interesting fact emerging from this match was Chard having two players - Spurway and James Regan - in the starting line up, both whom have kept wicket for Somerset County Cricket Club 1st XI.

CHARD TOWN 3 DEVIZES TOWN 0

Toolstation League Division One

A DOUBLE from Ed Butcher helped underline Chard Town's fourth place spot in a comfortable victory over struggling Devizes Town at Zembard Lane on Saturday.

Butcher opened the scoring on the half hour following a neat pass from Lewis Waldy.

MoM Butcher scored his second - and fourth of the campaign - eight minutes after the interval.

He then turned providersetting up. Braeden Symes who crowned a fine performance when he netted midway through the second period.

Butcher looked certain to complete a hat trick but was brought down by keeper Matthew Tilley just outside the penalty area. The govmann was correctly dismissed and Devizes were down to 10.

Chard had further chances with a Waldy shot which cannoned off the feet of the stand in keeper and a good effort by Scott Holland whose header hit the post.

Next up for Chard is tomorrow's (Wednesday) Les Phillips Cup preliminary round tie at home against CALNE TOWN (7.30pm ko). This followed by Saturday's League victory by CHIPPING SOBBURY TOWN (3pm).

AXMINSTER TOWN 0 APPLEDORE 0

SW Peninsula League D1 (E)

WITH both teams at the top end of the table Saturday's game at Tiger Way was always likely to be a close affair and so it proved.

Axminster started well and Peter Knox had a good shot in the 12th minute

which was deflected just wide of the post.

Soon after Liam Cleal was clean through on goal with just keeper Joe Tickle to beat but he narrowed the angle and made a smart save.

Appledore responded and forced Scott Wells-Burr into a fine save, the ball rebounded to an Appledore striker but the follow up shot hit the crossbar.

The next piece of action saw Jonny Hurford launch a thunderous 30-yard shot which brought a fine save from the visiting keeper.

Just before the break Appledore broke quickly and Wells-Burr was forced in to another fine save to tip the ball over the bar.

Ten minutes after the break Tony Pinder took a tumble in Appledore's penalty box under pressure from the defender but shouts for a penalty were ignored by the referee.

The resulting corner kick saw Pinder produce a neat flick header only to see his effort hit the upright.

Midway through the half a couple of chances forced good saves from Wells-Burr.

Ten minutes from time The Tigers keeper, yet again, denied Appledore with a superb double save.

◆ GOOD PERFORMANCE: Scott Wells-Burr

The game then evened out and a share of the spoils was a fair outcome with both goalkeepers in fine form.

Next Saturday the Tigers hit the road with a trip to Coombe Valley where high-flying TEIGNMOUTH lay in wait.

COMBE ST NICHOLAS 2 WINSCOMBE 3
Somerset League Division One (W)
A JECKYL & Hyde performance ultimately saw Combe St Nicholas slide to defeat at Slades Cross.

Things looked good for Phil Loaring's side when they led through goals from Joe Simmons and Luke Finn with 25 minutes on the clock.

They could, and perhaps should, have had the game won by at the interval, but they failed to take any one of four more good chances.

They were made to pay after the turnaround when visitors Winscombe

roared back with three unanswered goals against their sluggish hosts.

Next weekend Combe turn their attention back to the League Cup competition with the visit of SHEPTON MALLET RESERVES (3pm).

ILMINSTER TOWN 1 CONGRESBURY 3

Somerset League Division One (W)

JON Delahaye's third goal in six matches couldn't save Ilminster Town from a narrow home defeat at the Rec on Saturday.

The Blues fell behind to a fifth minute penalty and trailed 1-0 at half-time despite Richard Crabb and Alex Paul both going close.

The equaliser came 10 minutes after the turnaround when Delahaye netted with a firm header.

But the visitors restored their lead soon after and added a third in the closing stages.

Ilminster are in League Cup action at the weekend when they head off to Plain Ham to take on LARKHALL ATHLETIC (3pm).

PERRY STREET LEAGUE

Saturday, October 24th

CORONATION CUP QF

NETHERBURY 1 BARRINGTON 3

GOALS from Andy Whitefield (2) and Carl Lazenby earned Barrington a home semi-final against either Chard United or Shepton Beauchamp.

But the hosts were forced to do it the hard way after Paul Retter was red-carded by referee Kevin Luesley a decision that Barrington manager Sid Brown described as "Harsh".

Earlier Whitefield's double, which included a penalty and took the Golden boot holder into double figures for the season, put Brown's side in control.

The Ambers pulled one back with a penalty of their own but Lazenby sealed the win with his seventh of the campaign.

PREMIER

FORTON RANGERS 5 CREWKERNE TOWN 4
CREWKERNE Town remain bottom of the table after hosts Forton Rangers came from behind four times to snatch a 5-4 victory.

Kieron Adams netted a hat-trick for the Tigers whose other goal came from Aaron Hodges who scored for the third game in a row.

Andrew Stevenson (2), Luke Hanley, Tom Brown and Eddie James scored for the Rangers who ended a nine game winless run.

LYME REGIS BANTAMS 1 SHEPTON BEAU 6
THE delayed appearance of Kris Hastings proved decisive as title contenders Shepton Beauchamp came from behind to beat a spirited Lyme Regis Bantams at the Woodroffe School ground.

New signing Brian Mawson put the Seaside ahead but Aaron Sweet restored the parity before half-time.

Hastings, who arrived late and

started on the bench, then took control with a fine hat-trick with the other goals coming from Ben Pitman and Jamie Spurdle with his first for his new club.

Shepton Manager Aggie Smith praised the efforts of the Lyme team with a mention for keeper Jim Larcombe who pulled off a couple of fine stops.

PERRY STREET 4 COMBE RES 1

PERRY Street moved up to second place in the table and are now unbeaten at their Tatworth home for over a year after a 4-1 win over Combe Reserves.

Dan Collins moved up to 11 for the season with a brace with the other Street goals coming from Billy Sheahan and Josh Chadwick.

Dan Rodber grabbed the Saints' consolation.

SOUTH PETHERTON 1 BEAMINSTER 3

THERE can be no denying Beaminster's claim to be genuine title contenders after an impressive win at rivals' South Petherton's Lightgate Lane fortress.

Pethy had the better of the opening exchanges but fell behind in the 20th minute through when Ali Boyer pounced on a stray pass from the hosts defence.

League top-scorer Jamie Underwood made it 1-1 on the half-hour but a blunder by Pethy young keeper Harry Reed gifted Brandon Scadding the Rainbows' second just before the break.

Underwood squandered a golden chance for a second equaliser second after the turnaround when he burst clean through but could only shoot straight at Beaminster keeper Billy Fleet.

Dan Baggs netted the killer third from the penalty midway through the half to take Beaminster five points clear at the top.

WINSHAM UTD 3 CHARD UTD 1

WINSHAM United leapfrogged over visitors Chard United and up into the top half of the table with victory at Bakers field at the weekend.

Darren Spurdle, making a welcome return after injury, put Winsham in the driving seat with a brace inside the opening quarter.

Substitute Craig Parris came off the bench to make it 3-0 before former Luso-Chard striker Marco Quedas netted a late consolation for Chard.

DAISY HUTCHINGS CUP

DAN Pyett was the star of the show in the weekend's Daisy Hutchings cup ties.

The Beaminster Reserves' striker astonishingly scored all of his team's goals in the 8-1 demolition of Netherbury Reserves in the West Dorset derby at the Memorial Ground.

Promising League display on coastal trip

BY PAUL HARRISON

CHARD & District Swimming Club members recently made the journey to Weston-super-Mare to compete in the 1st round of the National Swimming League, sponsored by Arena.

A team competition, the Arena League tests the strength of every club across all age groups in both individual and relay events.

Chard are a small club with fewer than average number of swimmers and as a result rely on swimmers competing in multiple events (sometimes in more than one age group), so often the swimmers cannot consistently achieve personal best times.

However, with eight PBs in individual events and many more in the re-

lays, coach June Turner was proud of the overall efforts of the swimmers.

Finishing in 6th position out of eight much larger teams, Chard did themselves proud and the signs bode well for maintaining a good position in the first division.

Swimmers taking part were: Melissa Hanson, Paul Harrison, Millie

Downes, Abi Greenslade, Grace Lambert, Briana Barrand, Joe Shrubb, Lyndon Smith, Jevan Hampton-Rumbold, Louis Whittome, Xanthe Dyer, Megan Herbert, Harriet Copeman, Jamie Porter, Joss Copeman, Louis Rood, Oliver Bright, Grace Haskins, Somer Horsfield, Jess Fowler, Ben Greenslade, Sam Platten, Simon

Davis, Henry Taswell, Tessa Down, Hope Horsfield, Hannah Pullinger, Jamie Pullinger, Iain Ross, Joe Spurway, Florence Swan, Leo Kindred, and Holly Bigger.

Double for Harding

PLAYERS, club officials and supporters gathered for the Annual Dinner and Presentation Evening of Kilmington Cricket Club at the Village Hall recently.

Following a hot buffet provided by Duncan Colvin and his staff from The Old Inn, the awards and trophies were presented.

Club President, Michael Collier, presided over the evening and presented the Whiteway Cup to Tom Gooding who was the captain of the team for that knock-out event played at Whimple.

1st XI captain Ralph Cook spoke about the route taken by his team to reach the top of the D East Division thus gaining 257 points and promotion for next season.

Tom Gooding had the best bowling figures with an average of 13.87 and Sean Perry had the best batting figures averaging 44.13.

2nd XI vice captain Martin Huscroft noted that 33 players had turned out for the team during the season and that promotion narrowly was only missed by two points.

Club veteran David Lavender recorded the best bowling figures and took the Bowling trophy with an average of 10.1. Newcomer Glenn Harding took the Batting trophy with an average of 61.5.

Young Player-of-the-Year was Sam Olive and club chairman, Maurice Beviss, was awarded the Clubman-of-the-Year trophy.

During the evening, players voted for their choice of Player of the Year which went to Harding.

Matt Rockett finished top run scorer with 1,154.

County win for Axe Cliff pair

CRICKET St THOMAS

with Bert Robinson

FORTY EIGHT members of the Senior Section attended the "Hassle" tournament on Monday.

Sixteen teams of three took to the course in this Texas Scramble event where there are no restrictions on the number of drives by any player.

Ken Trussell's team and the trio led by Nobby Hodder were neck and neck up to the 18th and the birdie putt by the former team put them ahead by a mere 0.16 of a shot after the handicap adjustments.

However, the final team led by Nick Hill stormed into the lead eclipsing Ken Trussell's team by more than two shots.

Result: 1st Nick Hill, Geoff Dean & Barrie Heath 58.66, 2nd Ken Trussell, Des Denning & Chris Basterfield 61.17, 3rd Nobby Hodder, Mike Mosser & Roger Withers 61.33.

With Wednesday washed out 42 Seniors returned on Friday to compete in a three-man Bowmaker competition with all members of the team required to score on the six easier holes.

The early starters appeared to have the best of conditions as they claimed the win and runner-up spot.

Four teams managed to return scores of par or better which is quite an achievement in this format.

Result: 1st Fred Oliver; Brian Marsh & Ron Sutherland 76pts, 2nd Brian Denning, Mike Mosser & Sid Crisp 73, 3rd

Chris Basterfield, Barrie Heath & Nick George 73, 4th Andy Beale, Bert Robinson & Colin Ireland 72.

HONITON with Liz Rogers ON Saturday, October 17th the four sections of the club competed for three separate trophies in one day

Firstly, the Honiton trophy, a team event between the Men, Ladies, Seniors and Juniors was won by the Men.

However, next up was the Hansford trophy, a match play format between the Men and Ladies, and this was won by the Ladies.

Lastly trophy came the Otter trophy, a team event between the Ladies and the Seniors and this was also claimed by the Ladies.

MEN'S SECTION: On Saturday the men's team played two matches in the one day. In the first match, the B team travelled to AXE CLIFF Golf Club winning The Basil Trophy 6-4 overall, winning the Basil Trophy.

The second match was a home tie versus ENMORE PARK with Honiton emerging winners 3 and a half to 1 and a half.

MIXED REPORT: The Treble Six format is always a popular game, allowing players to play their own ball for the first six holes in a better-ball Stableford, holes 7-12 Greensomes, and the last six holes Foursomes.

The winners this week were Lesley Farley & Terry Lindsell with 39 points. In second place were Jane Watts & Bob Barnes with

38. The third place was taken by Hilda Hoepelman & Stan Squire with 36 on count back.

LADIES SECTION: Very few ladies braved the bad weather on Wednesday but well done to Heather Clarke who persevered and won the Silver Division with 32 points and to Gill Johnson who came top of Bronze 1 and 2 Divisions with 28.

SENIORS SECTION: Nineteen teams of three competed in the Seniors Texas Scramble.

The Winners were Roger Matthews, Peter Blake & John Ward with an excellent net 60.3.

Runners-up Ron Graham, Howard Pritchard & Fred Thomas made 61.8. Andy Sharland, John Bevan & Robert Canterbury came third and the last prize-winners were Pat Purtell, Bob Bilyard and Ron Rogers.

AXE CLIFF

with Peter Motson

TWENTY EIGHT members competed for the Seniors Quarterly Cup played over 15 holes which was won by Mick Tones with 30 points.

Close behind in 2nd place was Gilbert Cox on count-back, with 29 and 3rd was Peter Hornsby also with 29.

Tony Strong recorded a hole in two as did Rob Grove and Gilbert Cox who putted in from off the green at the seventh.

The Seniors' recent loss in the League away Match at Wheatthill was reversed in the return match at

◆ **DEADLY DUO:** Axe Cliff GC's Bee Sammons (left) and Helen Kenworthy who lifted the DVLGA Killard Levy County Cup

home by the same margin of 5 matches to 1.

The Axe Cliff Men's October Stableford took place October 18th with strong competition for 1st place which was won on the back nine by, Gavin Walker with 38pts while Steve Baker had to be content with 2nd place.

Third place was won by Matt Hall (on the back 9) and Stuart Mackie, both players scored 36.

There were seven twos scored between five players; Nigel Garwood, Richard Orsman and Paul Curtin each scored one while Craig Trivett and Steve Baker recorded two apiece.

The Ladies section pair that travelled to Yelverton in September, made their trip very worthwhile. Bee Sammons & Helen Kenworthy won the DVLGA Killard Levy County Cup with 37 points in a half combined handicap format.

The recent Axe Cliff Gruesome Cup took place despite unkind weather.

The mixed Greensomes half combined handicap format was won by Alan Kenworthy & Glenda Board, 2nd were Giles Thomas & Barbara Cummings and 3rd place went to Rob Grove & Jill Wellington.

HONITON with Julie Grant

HONITON bowlers are enjoying an unprecedented early season flourish with yet more wins in their mixed friendlies.

SIDMOUTH were defeated 89-69, top rink Bob Mackintosh, Carol Armitage, Pete Goodwin & Alan Hillyear 26-14 while DUNKESWELL were done for 81-39, top triple Ron Taylor, Barry Randall & Marian Vessey 27-5.

The men had success in their friendly against MADEIRA winning 73-32, top rink J Mabbott, David Tooley, Bill Nicholls & Terry House.

In their Over 60 league Honiton men lost 77-78 to AXMINSTER

and in their Over 60 national double rink also lost 34-50 to Exonia.

In the county leagues Honiton ladies started with a good 85-81 win in the Foxlands match against MADEIRA and scored seven points out of a possible 10, top rink Sally Spreadbury, Dulcie Broughton, Joan Heard & Sue Evans 29-16.

Against TORBAY two points were banked by the winning triple of Yvonne Williams, Gill Munslow & Tilly Tiller 27-13. Last year the ladies achieved national success in the Yetton Plate. This year they won their first game against MADEIRA 83-65 and will now compete for the Yetton Trophy rather than the plate. Top rink playing away were Rosemary Hiron, Berry Maynard, Yvonne Rayner & Carole Binmore 22-11.

Details of the **Open Evening** at the club on Friday, October 30th (5-8pm) are on the club website www.honitonbowlingclub.co.uk, all welcome.

AXMINSTER with David Harris AXMINSTER continued their impressive start to the indoor season, winning three of the four matches played.

We started with an excellent 78-77 win against HONITON in

the County Over-60 mens' league.

Victorious were the away rink of David Harris, Malcolm Denslow, John Gough & Charlie Barber (27-12) and the home rink of Mike Heneghan, Roger Legg, Bob Sherborne & Paul Moffitt (15-13).

We then won a mixed friendly 86-43 at home against CHARD with wins on all rinks - Pam Hunter, Margaret Brown, David Harris & Brian Clark (34-8), Phil White, Malcolm Denslow, Alan Clayton & Derek Pheby (29-15) and Morrison Brown, Alan Foster, Gerald Knott & Margaret Crompton (23-20).

Next we beat CHARDSTOCK 73-40 at home with wins for Morrison Brown, Gerald Knott, Ann Clayton & Margaret Crompton (29-7) and Phil White, David Harris, Neil Solomon & Brian Clark (29-12).

We lost our final mixed friendly 55-80 away at HONITON with only Morrison Brown, Daphne Ryan, Ken Quick & Brian Clark managing a win (19-16).

DESPITE a fair bit of rain the day before, the river Isle was still low and clear for the second round of the V.E.S. Precision league on Sunday.

Some good weights were still recorded with lots of small fish featuring in the 15b anglers catches.

Paul Homewood had the best weight of the day with 151b 6oz from peg H3 at Hambridge, Paul fished the whip and caught six nice perch along with loads of small roach, dace and

chublets. Steve Parker was second with a similar net of fish weighing 111b 8oz from peg 120 at Isle Brewers and in third place was Harry Hebditch with 81b 14oz from peg H2 at Hambridge, Harry also had some nice perch.

Sections: A - Graham Field (Taunton) - 61b 1oz, B - Martin Heard (Mosella) - 81b 2oz
There is a match next Sunday and the draw is at the Royal Oak between 8.30 and 9am.

Battling point

CHARD A YEovil & SHERB 1
STILL no win in four league
outings for the 2nd XI, but
Chard defended with great
character for this hard
earned point.

Defenders James Spur-
dle, Jason Goddard made
some timely interceptions
and tackles and Arthur
Critchley, promoted from
the 3rds, showed great
composure at the heart of
the defence ensuring Berge
Balian in goal was rarely
called into action in the first
half.

Chard grew in confidence
as the half went on and
began to put together
some promising attacks
with George Retter and
Trevor Goss threading
through passes to Dan
Stone and Harry Felgate on
the right and Harvey Den-
ning posing a threat from the
left wing.

The opening goal was the
catalyst for Chard's best
spell. When Steve Mahoney
picked out Stone his turn
and shot was parried but
Felgate followed up and
scored from close range.

Chard continued to hold
their lead until the final
quarter when a cross shot
squeezed through Balian's
pads and fell to Yeovil's
centre forward to score
from a yard out.

Cornishmen compound miserable day

CAMBORNE 46 CHARD 0
South West Division One

CHARD failed to get on the scoreboard
or take any points from a game for the
first time this season.

With several players unavailable,
Chard's preparations for this game
were dealt another blow when the ex-
pected journey time of two and a half
hours was extended to nearly four
when the team found themselves
caught up in the school half term traffic
chaos and the kick off was delayed for
over an hour.

They found themselves 12-0 down
at the interval with the hosts scoring
two tries plus one conversion.

Chard contested the game well up to

this point but in the second half
couldn't cope with the impressive
home side who ran in another five
tries.

CHARD 2ND XV 15 WELLINGTON 2ND XV 46
Somerset Division One

CHARD gave a spirited performance
but on the day were beaten by the bet-
ter side.

The experienced James Herbert and
youngster Benn Mainwaring each
scored a try for Chard and Sam
Mouland added one conversion and a
penalty goal.

Herbert commented after the game
that Chard really missed not having a
specialist scrum half in their ranks and

the team were somewhat handi-
capped by the late loss of some play-
ers which left them short on the
bench. Despite the loss Chard could
not be faulted for effort and commit-
ment.

MINEHEAD 3RD XV 0 CHARD 3RDS 38
Somerset Division Three south

THIS was a second successive victory
for the rejuvenated 3rd xv who scored
three tries in each half.

The tries came from Jock Mckerrow,
Chris Bond, Stuart Gold with the Car-
nell family sharing the last three with
dad Martin getting one and son Reece
scoring two. Stuart Gold added four
conversions

Despite the emphatic score line the
Chard players were quick to praise the
efforts of their opponents who were
far better than the scoreline suggests.

THE unbeaten Chard side consolidated
their lead at the top of the table.

Chard scored tries through the ef-
forts of Joe Mainwaring and Ollie Harris
with Dan Newman adding two penal-
ties and a conversion

Coach Duncan Nicholls was again
pleased with the win and praised the
impact that Adam Moore made when
he came on in the second row in the
2nd half.

Nicholls thought that Chard always
looked the better side and but wants
his side to play well for the whole
match and not just in fits and starts.

Next Saturday there are no games
for any of the teams because of the
World cup final between New Zealand
and Australia but everybody is re-
minded that the final will be shown in
the clubhouse on the big screen.

The club is expecting the clubhouse
to be full for the game and the atmos-
phere should be terrific.

League matches start again on Sat-
urday, November 7th with the 1st xv at
home to BIDEFORD (2.15pm ko) - the
Vice-President's lunch is also being
held that day.

HONITON RC with Judy Davey

SUNDAY, October 18th was a busy day for Honiton
Running Club members who travelled to three differ-
ent races.

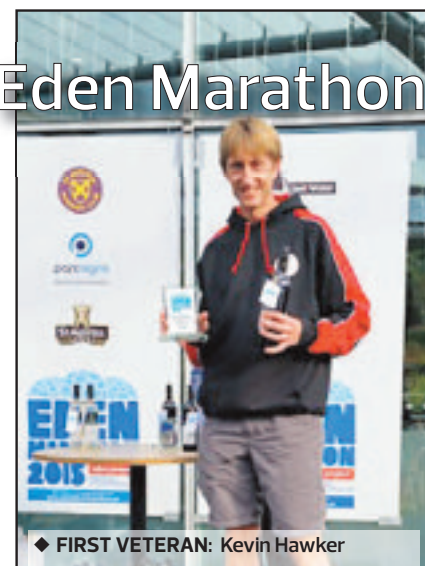

Alasdair and Esme Moffett went to Minehead to
take part in the EXMOOR STAGGER - a 15.1 mile race
which provided a challenging off road course using the
steep and varied terrain with total ascent of 3627 ft.
The route runs from Minehead to the highest point on
Exmoor, Dunkery Beacon. Alasdair finished 52nd in 2
hours 31 minutes and Esme came 108th in 3:08.

Seven HRC members turned out for the 31st GREAT
WEST HALF MARATHON. Over 3,000 runners took
part with the streets packed full of support.

Behind the starting gun was four-time Olympian Jo
Pavey. First home for the HR Club was David Hawker
in 1:48 which was 12 mins faster than last year while
Paula Ferris managed a PB with 1:49 running for the
Children's Hospice. Tim Wigram also clocked the same
time. They were closely followed across by Tony Peek
(2:00) and Sharon Wells (2:01) finishing 17th out of 65
in her category.

Katie Sherjan finished her first half marathon in a
very impressive time of 2:28. Alan Rowe 2:22 and
Liam Dushynsky 2:32 completed the finishing Honiton
line up.

Runners ran for local charities including Children's
Hospice South West, Devon Air Ambulance, CLIC Sar-
gent, and Hospice Care to name just a few.

◆ FIRST VETERAN: Kevin Hawker

Lastly but definitely not least, three HRC members
took part in the EDEN Half and full marathon.

Kevin Hawker and Steve Boyes took part in the full
marathon. A challenging multi terrain course with
over 2000 feet climbing. Despite an Achilles injury
Hawker came a well deserved 2nd place overall and
first veteran runner in a time of 2:59.

Boyes came home in 4:03 and 2nd in his age group.
Michelle Selly had a fantastic time running the half and
finished in 2:24.
